a collection of stories poems prayers and commentaries that demonstrates the influence of the blessed virgin mary on the lives of people around the world

women are often told by their communities that being a mother will complete or define them but many mothers find themselves depleted and spiritually stagnant amid the

everyday demands of being a mom they long to experience a rich inner life but feel there is rarely enough time energy or stillness to connect with god in a meaningful way this book takes the concept of rewilding and applies it to motherhood just as an environmentalist seeks to rewild land by returning it to its natural state shannon evans invites women to rewild motherhood by reclaiming its essence through an expansive feminine spirituality drawn from the contemplative catholic tradition and evans s own parenting experience rewilding motherhood helps women deepen their connection to god through practices inherent to the life they re living now topics include work life balance identity solitude patience household work and mission for the common good throughout evans encourages women to see motherhood as an opportunity to discover a vibrant feminine spirituality and a deeper knowledge of god and self

mother teresa s general letters to her sisters is a collection of mother teresa s circular letters to the members of her religious congregation the missionaries of charity sisters not intended for those outside her community they were written informally and spontaneously often with little editing it was for mother teresa a way of being present to the members of her rapidly expanding religious order seemingly of little interest except for those to whom they were addressed the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century at the same time and perhaps surprisingly these letters may also prove to be worthwhile reading for a wider audience something of god s wisdom and love seems to shine through mother teresa s guidance and counsels giving the reader light and help even though he or she is not living the same religious life as one of the sisters mother teresa s unpolished statements are at times humble and at times humbling they inspire confidence and encourage generosity many a time they are humorous but more often challenging they are sprinkled with serene joy but also permeated with deep pain she delighted in her sisters accomplishments yet did not shy away from correcting even the smallest flaw which didn t escape her very observant eye sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination in either case her followers seemed to have been drawn into the mystery of her charism endeavoring to keep pace with her was it the attraction of what could be termed as her leadership style in the unrelenting service of the poorest of the poor or the perceived love of a mother s heart that made her so unanimously loved and admired by the members of her congregation or was it both the letters will reveal the answer inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate the attractiveness of perennial truth often makes mother teresa s presentation of traditional spiritual themes likewise relevant for contemporary needs in the context of mother teresa s statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience god s presence through the little miracles of his love in one s daily life they will inspire us to put our love into living action sharing his love with all those we meet and so make our lives something beautiful for god

this book is a compilation of several heavenly messages from our heavenly father that can be found on the author s blog it also contains the complete text of the small book the secret of the rosary by saint louis de montfort this book is the third volume in the series mary protectress of the faith this book is a primer as it is meant to be a simple introduction to the christian faith and the spirituality of the immaculate heart of mary it is meant to be an invitation from god and our lady to you dearest reader to enter into the divine heart and divine will of our heavenly father although the chosen messengers as sources of these heavenly messages are catholic christians the intended audience is

for all peoples of all faiths and non believers series mary protectress of the faith volume 3

in this third volume of collected essays peter damian fehlner traces the franciscan marian ecclesiological vision and mission back to its sources in francis and clare of assisi fehlner shows how the quintessentially franciscan theological themes and their elaboration down the centuries find their roots in the poverello the man totally catholic and apostolic as well as in clare the imprint of the mother of god in thoroughly trinitarian fashion fehlner unveils francis s understanding of mary type and exemplar mother and member of the church as the firstborn daughter of the father mother of the son and spouse of the holy spirit mary is therefore primordially the virgin made church flowering out into the franciscan theological tradition this volume features two studies where fehlner unpacks this franciscan marian ecclesiological tradition in systematic and mystical theology fehlner takes st francis anthony fasani his conventual predecessor as his guide in the spiritual exegesis of scripture and catholic devotion unveiling the ecclesiological and marian implications of the song of songs in systematics fehlner analyzes the love song of the son for his church in his definitive study of bonaventure s understanding of charity and the divine missions in the church
