seminar paper from the year 2010 in the subject english language and literature studies literature grade 1 00 university of bayreuth language english abstract there scarce exists a work so popular as robinson crusoe it is read eagerly by young people and there is hardly an elf so devoid of imagination as not to have supposed for himself a solitary island in which he could act robinson crusoe were it but in the corner of the nursery ballantyne 7 with these words john ballantyne reinstates robinson crusoe 1719 as a novel appealing to younger readers in his essay about daniel de foe sic published in 1810 and indeed although the implicit reader of the first novel in english literature was not specifically mentioned to be of young age children have been its principal readers throughout the last 300 years lundin 199 thus it is not surprising that novels also popular with a younger audience such as *treasure island* by robert louis stevenson resemble the famous

castaway narrative by repeating its main topics and motifs like the solitary island and the shipwreck green 143 one of the more recent adaptations of robinson crusoe is terry pratchett s nation published in 2008 taking place on a south sea island in a skewed version of the 19th century boyce the story centers around the cultural encounter of the shipwrecked adolescent daughter of a british colonial governor called daphne with an indigenous boy named mau whose whole nation was obliterated by a tsunami whereas robinson crusoe can be clearly considered to be an imperialist and racist novel with its protagonist becoming the true symbol of the british conquest as james joyce puts it in his essay about daniel defoe in 1912 joyce 10 pratchett s book has been appraised by critics as a novel of ideas a ferocious questioning of vested cultural attitudes and beliefs dirda and said to reveal the stupidity of ignorance and prejudices i e concerning race tucker but taking claire bradford s warning into account that contemporary children s literature dealing with cultural difference is not necessarily free of the ideological freight of those earlier times i e colonialist discourse bradford 48 my research paper will look at terry pratchett s nation in detail with a theoretical approach based on postcolonial theory and critical whiteness studies this postmodern version of daniel defoe s novel will be analyzed with special regard to its concepts of race gender and culture
