first published in 2004 this work places foucault s methodologies against social theory and philosophy in order to provide a guide to social sciences particularly historical sociology written to clarify foucault s contribution for professional and non professional readers the text demonstrates the originality and usefulness of foucault s work and embodies a conviction that foucault s approaches could transform sociology into an effective multi focused relevant discipline finally the book illustrates that his methods provide the necessary condition for any state of the art social research today addressing his methodological position and establishing its relationship to nietzsche kant weber elias habermas giddens and the annales and frankfurt schools

essay from the year 2011 in the subject philosophy philosophy of the present language english abstract the directions often and repeatedly taken in most of the works that have been undertaken on foucault are to place him within the general continental philosophy to examine the theoretical and methodological breaks and continuities within his work and between his work and other major figures in the discipline to examine the nature of his work that is to say whether he can be placed part on the thesis the accepted classics of continental thought or with the postmodern post structural antithesis to examine the outcome of his work or what impacts his work has had on western culture the present study rather asks a very simple and straightforward question and that is how did the way foucault use historical archaeology allowed him as an analyst to change himself from within or how foucault s usage of language constantly changed himself from within or what is there in language if it comes from outside that transforms the reader from within

this study introduces antihumanism as the pivotal element in foucault s work and reads his work from an althusserian structural marxist perspective

each volume in this series provides an introduction tracing the subject author s critical reputation trends in interpretation developments in textual and biographical scholarship and reprints of selected essays and reviews beginning with the author s contemporaries and continuing through to current scholarship many volumes also feature new essays by leading scholars and critics specially commissioned for the series
