many christians have the desire to read the new testament in its original language unfortunately books that introduce the student to new testament greek either tend to be long winded or overly simplified or both in this book legendary scholar of biblical greek the late frank gignac provides a straight forward just the facts approach to the subject in fifteen lessons he presents the basics of the grammar and the vocabulary essential for reading the gospels in the original language all the reader need do is to supply the desire to learn as gignac writes good luck as you begin to learn another language it may be sheer drudgery for a while but the thrill will come when you begin to read the new testament in the language in which it was written

this text presents 44 lessons and many exercises that introduce the elements of greek essential to theological students reading the new testament in greek the vocabulary glossary is of particular use including every word which appears more than 30 times in the new testament

from their decades of combined teaching experience benjamin l merkle and robert l plummer have produced an ideal resource for novice greek students

to not only learn the language but also kindle a passion for reading the greek new testament designed for those new to greek beginning with new testament greek is a user friendly textbook for elementary greek courses at the college or seminary level

an epoch work in the history of greek grammars this is moulton s third edition of winer s grammatik winer was a crusader against arbitrary approaches to new testament grammar contrary to the hebrew biased grammatical approaches previous winer insisted on the study of new testament greek in terms of its own merits

a step by step guide to new testament greek written for the needs of twenty first century students

john dobson has a world wide reputation as a highly respected and successful teacher of new testament greek this course has been taught to groups ranging in size from a few people to over one hundred students language students as well as those who have never studied a foreign language before english speakers as well as those for whom english is a second language the material can be used with equal ease in an intensive six week course a regular academic language programme a part time extension module self study possibly with a mentor to develop his innovative and highly effective teaching method john dobson has applied the latest research findings on how people learn this third edition of learn new testament greek has been revised and updated to include an accented text it is a complete student textbook as well as a comprehensive resource for teachers

clear understandable carefully organized basics of biblical greek grammar by william d mounce is the standard textbook for colleges and seminaries since its initial publication in 1993 its integrated approach has helped more than 250 000 students learn new testament greek the fourth edition of basics of biblical greek grammar has been updated throughout based on continuing feedback from professors students self learners and homeschoolers making it even more effective for today s students other improvements have been made based on recent developments in scholarship the key to the effectiveness of basics of biblical greek grammar in helping students learn is in how it introduces them to the language students learn about the features of the greek language in a logical order with each lesson building upon the one before it unnecessary obstacles that discourage students and hinder progress are removed such as rote memorization of endless verbal paradigms instead students receive encouragement along the way to assure them they are making the necessary progress detailed discussions are also included at key junctures to help students grasp important concepts by the time students have worked their way through basics of biblical greek grammar they will have learned the greek alphabet vocabulary for words occurring 50 times or more in the greek new testament the greek noun system the greek verbal system including indicative and nonindicative verbs and participles a robust suite of learning aids is available for purchase to be used alongside the textbook to help students excel in their studies these include a workbook video lectures for each chapter featuring the author flashcards keyed to vocabulary in each chapter a laminated quick study sheet with key concepts and audio of the vocabulary for each chapter to aid in acquisition

this book includes the new testament text strong numbers parsings and grammar uses updated proof reading matthew 2 corinthians after over 40

years of translation work to create grammar uses version guv a decision was made to update this version and produce grammar bible version gbv guv was developed by examining the original greek structure more precisely and avoiding unnecessary dynamic equivalence it is also based upon the majority text byz with differences from the textus receptus tr noted in the variant readings the original motivation behind guv was the lack of translations that consistently rendered the present tense as linear and the imperfect tense as ongoing rather than a simple past this distinction preserves the aorist as a simple past event while maintaining the imperfect as continuous action in the past accurately reflecting its intended sense in guv subjunctives followed the old english expressions of wish such as may might and should the aorist subjunctive conveys a sense of potentiality something that could happen rather than something definite gbv modernized this by introducing present indicative aligning more closely with contemporary english while preserving the non linear nature of the aorist subjunctive this revision retains greek grammatical structures including participles and subjunctives while refining the english to be smoother and more precise the goal is to maintain the integrity of the greek while enhancing readability and clarity key adjustments from guv smoothed sentence structure for clarity rendered aorist participles with aorist main verbs as pluperfect rendered present participles with aorist main verbs as imperfect rendered perfect passive indicatives as present tense non linear using the code ⬚ retained present indicative non linear for aorist subjunctives and linear for present tense subjunctives using the code ⬚⬚ in some cases the infinitive is used to modernize the subjunctive in english which is indicated by the code ⬚⬚ kept present tense indicative verbs linear this means the present tense is continuous maintained historical present tense where appropriate by using the code ensured consistent tense usage avoiding unnecessary shifts where shifts occur the codes or are used improved sentence flow while preserving structure removed redundant conjunctions ensured alignment with koine greek grammar enhanced readability while maintaining grammatical integrity this revision refines the wording for smoothness while preserving the original tense distinctions and faithfully adhering to greek structure

books for new testament study by clyde weber votaw v 26 p 271 320 v 37 p 289 352
