since the publication of the still very valuable biblioteca histórica de la filología by cipriano muñoz y manzano conde de la viñaza madrid 1893 our knowledge of the history of the study of the spanish language has grown considerably and most manuscript and secondary sources had never been tapped before hans josef niederehe of the university of trier courageously undertook the task to bring together any available bibliographical information together with much more recent research findings scattered in libraries journals and other places the resulting bibliografía cronológica de la lingüística la gramática y la lexicografía del español desde los principios hasta el año 1600 bicres began appearing in 1994 bicres i covered the period from the early beginnings to 1600 followed by bicres ii 1601 1700 bicres iii 1701 1800 and together with miguel Ángel esparza torres of madrid there followed bicres iv 1801 to 1860 now the fifth volume has become available covering

the years from 1861 to 1899 access to the bibliographical information of altogether 5 272 titles is facilitated by several detailed indexes such as a short title index a listing of printers publishers and places of production and an author index more than twenty years of research in the major libraries of spain and other european countries have gone into this unique work relative sources of the americas have also been covered making it exhaustive source for any serious scholar of any possible aspect of the spanish language

this worktext is a practical review of the essential points of english grammar contrasting them with their spanish language equivalents

extracto de la gramática mutsun es un libro de felipe arroyo de la cuesta que analiza la lengua de los mutsumis una comunidad india en la que se estableció la misión de san juan bautista en 24 de junio de 1799 a unos 40 kilómetros al noroeste de monterrey en el centro de un valle fértil hacia 1831 eran unos 1 200 w w turner afirmó en la revista histórica vol 1 pág 206 que el lenguaje mutsun es claramente semejante con el rumsen o runsien una de las dos lenguas que se habla en la misión de san carlos y con el de la misión de la soledad más al sur parece emparentado también con el lenguaje de los olhones costanos de la bahía de san francisco
