the news media in puerto rico offers a synopsis as well as a critical analysis of the island's news media system with emphasis on the political and economic factors that most influence how the media operate the authors also document the impact of hurricane maria on the media structures and the changing media landscape given the political

economic and colonial strictures building on interviews with news media professionals the book further presents detailed insights about journalism and journalism education in these times of crises the final chapters include theoretical frameworks and methodological guidelines for the analysis of other colonial post colonial and neo colonial media systems with research recommendations valuable for future studies of the island s media as well as for cross national comparisons this book will be an essential read for students and scholars interested in learning not only about the puerto rican and latin american mass media but also the media systems of other colonial neo colonial countries
