mexico comprises 32 diverse states and this reference is the first to succinctly profile each each chapter devoted to one of the states provides a contemporary snapshot of the most important information to know about the state with essay sections on its characteristics flora and fauna cultural groups and languages history economy social customs arts noteworthy places and cuisine with representative recipes familiar and noteworthy names in mexican culture are highlighted in the applicable sections the format is perfect for students studying spanish and travelers and general readers wanting a different angle from that provided in guidebooks and more authoritativeness than they can offer readers learn about the pulsing metropolis of mexico city to the jungle isolation found in the yucatan peninsula considering the huge political social and economic focus on mexico and the number of mexican immigrants in the united status today americans need to know more about mexico and the homeland of these new immigrants make this one of the sources you recommend to your patrons to get a quick yet substantial feel for the states and their people a map and photo accompany each chapter and the volume contains a chronology glossary and selected bibliography

many books have been written about mexico but several of the best works were written a quarter of a century ago and are now out of print this fact and the developments of the past few years leads the author to believe that there is a field for another book on that most interesting country a book that should present in readable form reliable information concerning the customs and characteristics of the people of mexico as well as the great natural resources of the country and their present state of development or lack of development it has been the aim of the author to make a

complete and accurate presentation of the subject rather than to advance radical views concerning and harsh criticism of our next door neighbours with this idea in mind he has read nearly every prominent work on mexico and mexican history as well as other current periodical literature concerning that country during the two years devoted to the preparation of this volume it is hoped that the wide range of subjects covering the customs habits amusements history antiquities and resources will render the volume of value to any one interested in mexico and her progress if this volume shall aid in any way to a better understanding of mexico by americans or in furthering the present progressive movement in that country then the author will feel amply repaid for the months of labour devoted to its preparation
