routledge s modern grammar series is an innovative reference guide combining traditional and function focused grammar in a single volume with an accompanying workbook the aim of the modern korean grammar is to provide an overview of the structures and functions of the korean language designed for those who have already acquired the basics of the language the book combines a comprehensive description

of the grammatical structures of Korean with a functional usage approach to the language all target grammatical and functional points will be illustrated with examples in Hangul with English translations for better understanding in addition the use of linguistic terminology is limited to facilitate quick and easy comprehension

Modern Brazilian Portuguese Grammar: A Practical Guide is an innovative reference guide to Brazilian Portuguese combining traditional and function-based grammar in a single volume. The grammar is divided into two parts: Part A covers traditional grammatical categories such as agreement, nouns, verbs, and adjectives; Part B is carefully organized around language functions covering all major communication situations such as establishing identity, making contact, and expressing likes, dislikes, and preferences, with a strong emphasis on contemporary usage. All grammar points and functions are richly illustrated with examples. Building on the success of the second edition, this third edition provides new and extended notes for Spanish speakers which focus on common difficulties faced by learners of Portuguese as well as revised explanations of grammar and usage which include the use of *tu* in Portuguese. A combination of reference grammar and practical usage manual, complemented by a companion website with audiovisual material and a separate workbook designed to accompany the grammar, this textbook is the ideal source for learners of Brazilian Portuguese at all levels from beginner to advanced.

Written in clear, simple language for those going through a divorce or separation, this fully revised edition includes topics on mourning and mending, conflict resolution, effects on children, and divorce mediation. New sections on coping with stress, learning new ways to communicate with your partner, and negotiating short-term agreements are featured.

Covers the full range of methodology for learning to relax and deal with stress: breathing, deep muscle relaxation, meditation, visualization, assertiveness, coping skills, managing time.

For students preparing to sit their common entrance examinations.
