considering how much poetry the great Catalan writer Salvador Espriu wrote a representative selection is a tall order for any translator Louis Rodrigues has limited his choice to a hundred poems in order to highlight some of the more notable and original features features which challenge

the ingenuity of the translator yet the conceptual rigour and precision of the ideas expressed and the haunting rhythms which are captured here are more than a shadow of the original. Espriu's mission was to make the Catalan language sing and survive the bleak years when Franco insisted that a unified Spain required a single tongue and forbade the use of the other national languages. The vigour, intellectual and lyrical of Espriu's poems was and remains an inspiration and a consolation to all Catalan speakers.
