on the battlefield faith and resilience in spiritual warfare equips believers with strategic tools for overcoming spiritual warfare drawing on both military principles and biblical truth through real life experiences and scripture based insights this book empowers readers to navigate life's toughest battles with resilience faith and the courage to stand strong in christ whether facing personal trials or spiritual attacks on the battlefield offers a battle tested plan for victory reminding readers that they are not alone in the fight and that restoration and strength are found in god this book speaks to both those with a military background and those facing their own personal challenges providing them with tools to overcome adversity and stay faithful in the toughest of times the lessons found within are drawn from personal experience grounded in biblical truths and delivered with the precision and strategic mindset of a military tactician

in the summer of 1864 the american civil war had been dragging on for over three years with no end in sight things had not gone well for the union and the public blamed the president for the stalemate against the confederacy and for the appalling numbers of killed and wounded lincoln was thoroughly convinced that without a favorable change in the trajectory of the war he would have no chance of winning a second term against former union general george b mccllellan whom he had previously dismissed as commander of the army of the potomac this vivid engrossing account of a critical year in american history examines the events of 1864 when the course of american history might have taken a radically different direction it's no exaggeration to say that if mccllellan had won the election everything would have been different mccllellan and the democrats planned to end the war immediately grant the south its independence and let the confederacy keep its slaves what were the crucial factors that in the end swung public sentiment in favor of lincoln johnson focuses on the battlefield campaigns of generals ulysse s grant and william tecumseh sherman while grant was waging a war of attrition with superior manpower against the quick and elusive rebel forces under general robert e lee sherman was fighting a protracted battle in georgia against confederate general joseph e johnston but then the president of the confederacy jefferson davis made a tactical error that would change the whole course of the war this lively narrative full of intriguing historical facts brings to life an important series of episodes in our nation's history history and civil war buffs will not want to put down this real life page turner

ever since the custer massacres on june 25 1876 the question has been asked what happened what really happened at the battle of the little bighorn we know some of the answers because half of george armstrong custer's seventh cavalry the men with major marcus reno and captain frederick benteen survived the fight but what of the half that did not the troopers civilians scouts and journalist who were with custer now because a grass fire in august 1983 cleared the terrain of brush and grass and made possible thorough archaeological examinations of the battlefield in 1984 and 1985 we have many answers to important questions on the basis of the archaeological evidence presented in this book we know more about what kinds of weapons were used against the cavalry we know exactly where many of the men

fought how they died and what happened to their bodies at the time of or after death we know how the troopers were deployed what kind of clothing they wore what kind of equipment they had how they fought through the techniques of historical archaeology and forensic anthropology the remains and grave of one of custer's scouts mitch boyer have been identified and through geomorphology and the process of elimination we know with almost 100 percent certainty where the twenty eight missing men who supposedly were buried en masse in deep ravine will be found

the battle of gettysburg was undoubtedly one of the greatest conflicts of modern times not only from the number of combatants engaged and the desperate nature of the struggle but because on the now classic heights of cemetery ridge culp's hill and the round tops the future of the american republic for weal or for woe was fought and won on those memorable july days as decisive in its character and far reaching results as the battle of waterloo like it it has been the subject of endless controversy and military criticism and has brought forth a multitude of books pamphlets and letters most of which serve but to bewilder and darken visibly the student of history fortunately amid the din and confusion of bitter polemical warfare there is one historian to whom the general reader can turn with confidence one who has devoted to this battle years of patient study and untiring research has critically examined all the official and unofficial documents reports and publications to be obtained from reliable sources on either side of the controversy has thoughtfully sifted the evidence for every statement made has consulted with the surviving officers of either army and then with malice toward none and charity for all and with an impartiality rare even in a foreigner of his exalted position and pre eminent ability has sought and not in vain to write truly the history of the greatest battle fought on american soil publisher's pref

this guide uses first hand accounts to illustrate how this two day skirmish turned into one of the bloodiest battles of the civil war

recounts the story of wartime photography from the first use of cameras on the battlefield through the war in vietnam

america's bloodiest day the battle of antietam on september 17 1862 left more dead american soldiers in its wake than any other 24 hour period in history antietam and the related battles of the maryland campaign that led up to the lethal confrontation did not result in decisive defeats for either side but they did serve as a brutal warning to an out gunned out commanded and out organized union army eyewitness accounts by battle participants make these guides an invaluable resource for travelers and nontravelers who want a greater understanding of five of the most devastating yet influential years in our nation's history explicit directions to points of interest and maps illustrating the action and showing the detail of troop position roads rivers elevations and tree lines as they were 130 years ago help bring the battles to life in the field these guides can be used to recreate each battle's setting and proportions giving the reader a sense of the tension and fear each soldier

must have felt as he faced his enemy
