the role of behavioral and social sciences in the courtroom setting has expanded exponentially in the past few decades it is now widely recognized that scientists in these areas provide critical contextual information for legal decision making and that there is a reliable knowledge base for doing so while there are many handbooks of forensic psychology this is the first such volume to incorporate sociological findings

broadening the conceptual basis for examining cases in both the civil and criminal realms including immigration issues personal injury child custody and sexual harassment this volume will examine the responsibilities of expert witnesses and consultants and how they may utilize principles theories and methods from both sociology and psychology it will show these disciplines together can improve the identification and apprehension of criminals as well as enhance the administration of justice by clarifying profiles of criminal behavior particularly in cases of serial killers death threat makers stalkers and kidnappers the volume is quite comprehensive covering a range of medical school environmental and business settings throughout it links basic ideas to real applications and their impact on the justice system

strengthening families of different varieties and ending abuse in the myriad of forms through which it surfaces is god s way of bringing peace and safety to christian homes across the world we challenge congregations their leaders and the men women and youth who faithfully support them to consider their personal role in bringing this vision inspired by the scriptures into reality together our voices can be strong we are united in our belief that every home should be a safe home every home a shelter from the storms of life every home a place where we are supported treated with respect and dignity and every home a place where men and women are encouraged to be all they can be it is a tall order it is a dream to guide our personal conduct and to measure our congregational and community life we are far from reaching this goal but toward it we strive
