virtual love is the true story of an on line romance between a man and woman in their forties and fifties pat a busy psychologist and mother and barry a mystery man working offshore meet through pat s personal ad and immediately spark each other s interest their on line romance quickly blossoms they become anxious to meet but are kept apart for nearly two months 56 days in fact virtual love is the record of what happened between them if you have ever read a personal ad and especially if you have ever pondered answering one you will be riveted by virtual love you ll gaze through a window at the quirks of falling in love on line and sight unseen you ll gain insights into the ups and downs of mid life romance you may even fall in love yourself

from new york times bestselling author penelope ward comes a new sexy standalone novel we met in the least likely of places it started out innocently enough i was screengod and she was montana but of course those weren t our actual names just the virtual cloaks we hid behind logging in at night and talking to her was my escape my sanctuary

her real name was eden i d soon come to find out from the first time we connected online i found myself transfixed she was an addiction at first we knew nothing about each other s real identities and she was adamant that we keep things that way anonymity had no effect on our unstoppable chemistry though if anything it allowed us to open up even more in ways we may not have otherwise eden was funny intelligent gorgeous everything i d ever wanted in a woman but i couldn t really have her i had accepted things would have to stay the way they were until the day i found a clue that led me straight to her so i took a chance and that was when our love story really began

how could two people be so right for each other and yet live galaxies apart watch this love story unfold as lane falls in love with kassia who is his dream girl the catch lane thinks she only exists in his virtual reality matrix where he has chosen to make himself look different when she is transported from her planet teron to his bedroom one night they are both surprised will she know him for who he is are they truly together on earth

virginia libert s shrink thought she took the job at google because he had cured her of all her neuroses he believed she finally realized she needed to put some distance like 2 955 miles between herself and mr wrong he was certain she was fated to become married the blogosphere thought she took the job because she had sold out and only cared about money they felt she was doomed to become uninteresting her business school friends thought she was too late in taking the job they thought she was destined to remain underpaid her parents were just glad the weather would be nicer in mountain view than in new york city and that she would live in a house with a yard instead of a walk up with a crazy neighbor they had given up on grandchildren and just hoped she would be happy the truth is she took the job because google would let her bring her dog to work her golden retriever rusty had no expectations of her well it wasn t only for rusty maybe it was a little bit for her too virginia hoped that google would be a little bubble of sanity that would allow her to block out the real world and regain composure the thing that had caused her to lose her composure was just an e mail true it was from max the man she had loved desperately for ten years if you had asked her at any point over those years what she wanted more than anything in the world she would have said tears in her eyes it was to marry max but an email he proposed via email the medium is not the message she told herself she tried to focus on the fact that suddenly the thing she had most wanted was within her grasp all she had to do was hit reply type out yes and she was done but was she ready to be done what next stick a fork in her would she be gobbled up like a pork roast she read the message again march 7 2004 1 47 pm from max the hedge com to virginia gmail com subject marriage v bet that got your attention didn t it this may be unconventional but you ve never been a conventional girl sorry sorry woman it s just

that i had a thought on my flight to london and i can t get it out of my head will you marry me i d be up for it if you would let me know max i d be up for it if you would was this a booty call or a proposal it certainly didn t make her feel loved to say yes she d have to believe not only that the medium is not the message but that words have no meaning a roaring wave of no swept over her she didn t just hit delete she threw the whole computer out the window the virtual world met the real world with a clarifying crash as the computer smashed the windshield of a car four stories below but could any job even a job at pre ipo google really save virginia from her bad romance was an understanding of the algorithms behind online dating networks going to liberate virginia or drag her into something even more destructive virginia struggles to free herself from the hangups that close her off to what might actually make her happy by fighting recidivism with the sexy and deviant hedge fund manager she s fleeing by flirting with the rancher supplying google s cafes and by becoming obsessed with an anonymous stranger she met online

in today s time everything revolves around technology without it we are cut off from the world from friends from love the story tells us about the meeting of new people about the missing emotions in true love and virtual love between two persons how strong can virtual emotions be can she even fall in love with a person you can t feel close to can he fall in love too what can this virtual love offer us the feelings the need read about the power of emotion passions lust and love in virtual love they met in a virtual adult game at first they only knew their names with whom they were logged in the game they didn t spend much time on each other to develop their emotions they wanted each other all written words have been put into action there was a lot of tuching moaning naked pictures they enjoyed in moments together spending all the nights together in vr after some time she started to wanting him in real so things gets hotter then

amber had discovered the internet and she flew in and out of every chat room she had a chat here and there until she met mike he gradually pulled her into his web it was packed with virtual love she was caught up in the worldwide web or this is a gripping novel about the addiction that lies in wait for every user of the internet it tells a story about falling in love with a stranger despite the aloofness of the screen this is about virtual seduction mysticism and eroticism through a cable

is it possible to tell if it is love or lust how important is sex in a relationship why do break ups hurt so much how often should you message a person you fancy how do you tell if someone is too young or too old for you when it comes to relationships these are the questions that most of us ponder no matter how young or old we are we are all looking for ways to make our relationships better the best way to do that is to understand what

makes us behave the way we do why we love the way we do is a collection of essays on relationships based on preeti shenoy s hugely popular columns in a national daily in which the bestselling novelist discusses some of these issues and questions that people in relationships or those hoping to be in one face the topics range from those particular to our modern technology filled world how to move from an online relationship to a real life one how to find and keep love online whether casual sex is worth the effort or not to those immortal issues such as how men and women communicate differently how to deal with a broken heart and how jealousy ruins a relationship that trouble every heart filled with wonderful insights sharp observations humour and real life examples and written in her trademark lucid style preeti shenoy brings to this book a perceptiveness about love and friendship that has made her the country s highest selling woman writer
