how did the student nonviolent coordinating committee break open the caste system in the american south between 1960 and 1965 in this innovative study wesley hogan explores what sncc accomplished and more important how it fostered significant social change in such a short time she offers new insights into the internal dynamics of sncc as well as the workings of the larger civil rights and black power movement of which it was a part as hogan chronicles the members of sncc created some of the civil rights movement's boldest experiments in freedom including the sit ins of 1960 the rejuvenated freedom rides of 1961 and grassroots democracy projects in georgia and mississippi she highlights several key players including charles sherrod bob moses and fannie lou hamer as innovators of grassroots activism and democratic practice breaking new ground hogan shows how sncc laid the foundation for the emergence of the new left and created new definitions of political leadership during the civil rights and vietnam eras she traces the ways other social movements such as black power women's liberation and the antiwar movement adapted practices developed within sncc to apply to their particular causes many minds one heart ultimately reframes the movement and asks us to look anew at where america stands on justice and equality today

winner of the 2017 diamond anniversary book award and the african american communication and culture division's 2017 outstanding book award both from the national communication association in the black liberation movement imprisonment emerged as a key rhetorical theoretical and media resource imprisoned activists developed tactics and ideology to counter white supremacy lisa m corrigan underscores how imprisonment a site for both political and personal transformation shaped movement leaders by influencing their political analysis and organizational strategies prison became the critical space for the transformation from civil rights to black power especially as southern civil rights activists faced setbacks black power activists produced autobiographical writings essays and letters about and from prison beginning with the early sit in movement examining the iconic prison autobiographies of h rap brown mumia abu jamal and assata shakur corrigan conducts rhetorical analyses of these extremely popular though understudied accounts of the black power movement she introduces the notion of the black power vernacular as a term for the prison memoirists rhetorical innovations to explain how the movement adapted to an increasingly hostile environment in both the johnson and nixon administrations through prison writings these activists deployed narrative features supporting certain tenets of black power pride in blackness

disavowal of nonviolence identification with the third world and identity strategies focused on black masculinity corrigan fills gaps between black power historiography and prison studies by scrutinizing the rhetorical forms and strategies of the black power ideology that arose from prison politics these discourses demonstrate how black power activism shifted its tactics to regenerate even after the fbi sought to disrupt discredit and destroy the movement
