with good reason the textbook's emphasis on the scriptural basis for each doctrine along with its clear writing and contemporary approach make it an indispensable resource for many Christians. This series presents as a separate book each of the seven main parts that make up the 1,600 page systematic theology, making it more portable, affordable, and less daunting. Part 7, "Making Sense of the Future," explores the fulfillment of scripture, the bodily return of Christ, important topics, and discuss the primary views of the millennium thousand years. Amillennialism, the reign of Christ is now being fulfilled; postmillennialism, Christ will return after the millennium; premillennialism, Christ will come back after the millennium. Whichever view the reader subscribes to, the end result is clear: there will be a sudden, personal, visible, bodily return of Christ. Written in a friendly tone appealing to the emotions and the spirit as well as the intellect, "Making Sense of the Church" helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.

The Systematic Theology Pack contains everything you need to gain an in-depth understanding of Christian theology. Whether you are enrolled in a class or learning on your own, it includes the bestselling textbook *Systematic Theology* by Wayne Grudem, a corresponding set of 57 chapter-by-chapter video lectures, and a laminated study sheet.

This workbook accompanies Wayne Grudem's bestselling *Systematic Theology* and features student-friendly review material and exercises.

*Historical Theology* presents the key pillars of the contemporary church and the development of those doctrines as they evolved from the history of Christian thought. Most historical theology texts follow Christian beliefs in a strict chronological manner, with the classic theological loci scattered throughout various time periods, movements, and controversies, making for good history but confusing theology. This companion to the classic bestseller *Systematic Theology* is unique among historical theologies: Gregg Allison sets out the history of Christian doctrine according to a topical, chronological arrangement, one theological element at a time, instead of committing to a discussion of theological thought according to its historical appearance alone. This method allows you to contemplate one tenet of Christianity at a time, along with its formulation in the early church, through the Middle Ages, Reformation, and Post-Reformation era, and into the modern period.

become familiar with the primary source material of Christian history's most important contributors such as Cyprian, Augustine, Aquinas, Luther, Calvin, Barth, and others. Understand the development of evangelical doctrine with a focus on the centrality of the gospel. Discern a sense of urgent need for greater doctrinal understanding in the whole church. Historical theology is an easy-to-read textbook for any Christian who wants to know how the church has come to believe what it believes today. Gregg Allison's clear and concise structure make this resource an ideal introduction to Christian doctrine.

Taken from the bestselling systematic theology text, *The Making Sense of Series* offers people bite-size pieces of seven core biblical doctrines. *Making Sense of Man and Sin* provides a clear biblical basis, clarity in the explanations, application to life, and much more for the doctrine of man.

This is an abridgment of Grudem's highly commended systematic theology intended for laypeople and nonprofessionals.
