this book discusses the issue of academic misconduct and publication ethics in general and plagiarism in particular with a focus on case studies in various universities around the world notably in japan singapore australia usa and canada we are especially interested in students and teachers perception of academic misconduct and their definition and understanding of plagiarism most chapters discuss undergraduates understanding of academic dishonesty and students experiences using plagiarism softwares the book also analyzes teachers perception of cheating and how they respond to it writing is perceived by all of the teachers to be the most important form of assessment that required preventative measures in order to reduce the occurrence of academic dishonesty among students each chapter recommends strategies to fight plagiarism such as establishing guidelines and regulations concerning academic integrity awareness of the scale of the issue scandals at all levels in most countries even including famous scholars administrators and elected officials assessing the damage done to academic reputation and credibility developing trust and credibility on social media especially with the recent disturbing growth of fake news and data minimizing the proliferation of dishonest accreditation of identity theft of fake peer reviews and fighting the growing number of fake papers with or without the use of computer generated academic works

this book constitutes the proceedings of the 17th international conference on based learning icwl 2018 held in Chiang Mai Thailand in August 2018 the 11 revised full papers presented together with 4 short papers were carefully reviewed and selected from 37 submissions the papers are organized in topical sections on learning assessment and behavior case studies augmented reality and collaborative learning game based learning and learning content management and experience sharing

raise standards and improve learning for all students through equitable grading grading one of the most important responsibilities of teachers with major implications for students academic and life trajectories is ironically also among the most enigmatic and frequently avoided topics in education although most teachers sense that common grading practices are often ineffective there is limited understanding of how those practices can undermine effective teaching and harm students particularly those historically underserved it is long

past due to implement grading practices that are more accurate bias resistant and motivational and which improve student learning empower teachers and transform classrooms as a result in this newly updated edition of the best selling grading for equity joe feldman provides a valuable resource for anyone invested in grading and its impact on students education mental health and future opportunities offering a research based alternative to the status quo this practitioner friendly guide provides extensive revisions that reflect how the pandemic and the black lives matter movement shifted traditional grading systems new data from both academic research and classrooms that demonstrate the benefits of equitable grading for all students clear approaches to implement equitable grading practices updated information on several equitable grading practices including proficiency scales a new concluding chapter that explores implementing equitable grading system wide with a down to earth style driven by the author s own curiosity as a teacher principal district administrator and university instructor this book will invite and challenge you to think about how more equitable grading when implemented effectively creates a more rigorous humane and positive school experience for all

from the author of sophie s world a masterful mixture of fantasy and reality a simply wonderful read she panina manina a trapeze artist falls and breaks her neck as the ringmaster bends over her he notices an amulet of amber around her neck the same trinket he had given his own lost child who was swept away in a torrent some sixteen years earlier this tale is narrated by petter a precocious child and fantasist and perhaps jostein gaarder s most intriguing character since sophie as an adult petter makes his living selling stories and ideas to professionals suffering from writer s block but as petter sits spinning his tales he finds himself in a trap of his own making
