the computer is a toy tossed to us by nature for diversion and comfort in the darkness d alembert i hate everything which merely instructs without stimulating me or increasing my own activity goethe let s try to eliminate some misconceptions from the outset this book is not a collection of game recipes as sembled in the form of finished programs which only have to be typed into the computer and then played far from it the object is to challenge readers to activate their own creativity in using computer games the game concept is designed to develop into game strategy and this then should form the basis of computer programming programming comput ers is in itself the game or to put it another way read ers can learn

programming while playing no previous knowledge of programming is assumed of readers and users of this book only the willingness to accept new ideas and improve upon them independently while all the programs in this book have been run and tested some are intentionally imperfect they await the finishing touches from you the reader the additional brainteasers at the end of the chapters or occasionally after a section within a chapter are therefore designed to inspire your imagination and encourage your independence the material is drawn from numerous sources

an exam cram 2 is a study skill enhancement and tutorial designed to focus on exactly what students need to get a certified with coverage of exams 220 221 and 220 222 it details all the new exam objectives and items in the following areas windows 98 windows 2000 and windows nt version 4 0 because the a certification is a core competency of the mcsa program this book is also helpful for those who are seeking their mcsa certification this book is not intended to teach new material instead it assumes that you have a solid foundation of knowledge but can use a refresher on important concepts as well as a guide to exam topics and objectives this book focuses exactly on what you need to pass the exam it features test taking strategies time saving study tips and a special cram sheet that includes tips acronyms and memory joggers not available anywhere else the series is supported online at several sites examcram com informit com and cramsession com the accompanying cd features preplogic tm practice tests preview edition this product includes one complete preplogic practice test with approximately the same number of questions found on the actual vendor exam each question contains full detailed explanations of the correct and incorrect answers the engine offers two study modes practice test and flash review full exam customization and a detailed score report
