teaching is a gift a very special gift i believe it is a part of a person s dna there are a lot of very smart people
who cannot teach because they lack this genetic part of their dna profile these people make great doctors
business leaders lawyers carpenters etc but not teachers teachers are people who can create magic and
excitement in the lives of children making them want to learn once a child wants to learn a teacher s job is
almost over i taught in the inner city inner city teachers go where most teachers do not want to go however
i loved every day this book with just a few exceptions is a true story of my journey i couldn t make up
stories this good this funny or this sad so follow me to the other side
