one of the world's great storytellers Wilbur Smith captivates readers' imaginations in this classic novel of passion, adventure, and one man's destiny on a continent where magnificent riches were hidden. He began life at his twin brother's side, soon running wild on his father's ranch on the edge of Africa. But violence, desire, and fate sent Sean Courtney into exile, where he would fight and love his way to extraordinary success and heartbreaking failure. Lives would be lived and lost in a place called the Ridge of White Waters. Sean made a life-long friendship, mined a fortune in gold, and met his own demons. Then an act of cunning betrayal struck and ignited a new adventure to a new frontier. And to the daring went the greatest fortune of all: from facing the murderous charge of a towering bull elephant to watching men die unspeakable deaths, Sean fought new enemies, forged new allies, and dreamed of establishing a family on a farm of his own. But the young man who had lived by his courage, sweat, and blood was about to discover that
