who am i and where do i come to write this book i feel it necessary to address all aspects of motherhood so i decided to include both the sweetness and delight

plus the shadow side of motherhood in this book some challenging life situations occur that are vital for us to consider so i am including some disquieting statistics because many women and men have refrained from checking within themselves or making an examination on emotional mental physical and spiritual planes about having children hardships have been created both personally and planetary

a poignant and highly informative view into childhood autism from home life to school medical intervention to hope for the future told from the heartfelt experience of a loving supportive mother

new york magazine was born in 1968 after a run as an insert of the new york herald tribune and quickly made a place for itself as the trusted resource for readers across the country with award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating new york as both a place and an idea

the exciting action packed finale to the rift uprising trilogy that rivals the thrills and action of the hunger games and red rising

new york magazine was born in 1968 after a run as an insert of the new york herald tribune and quickly made a place for itself as the trusted resource for readers across the country with award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating new york as both a place and an idea

elizabeth mansley examines how race and class impact the construction of masculinity as demonstrated through men s accounts of intimate partner violence using an ecological nested model she examines race and class differences in the role that institutions and culture play in promoting violence against women these differences support the call for culturally sensitive batterer treatment programs that are not just reflective of race but of class as well knowledge of these differences would allow treatment providers to tailor their treatment plans to account for such diversity and to develop culturally sensitive treatment that will be more effective book jacket

a shocking true story of one man s escape from a biker gang by the son of a notorious gang leader

what real boys have to say a lot of people use words like psycho or wacko to refer to people who are feeling glum or think they might want to take their own life i think these sorts of slang terms create further isolation in a teen and that s not what you want to do to a teen who already feels alone alexander 18 from a small town in the south a guy is supposed to be strong tall and fast and have the qualities of an ideal athlete at the same time he s supposed to be smart he s expected to be nearly perfect chandler 14 from a suburb in the northwest what i hate about this school is that i am being picked on in the halls and just about everywhere else cody 14 from a suburb in new england in real boys dr william pollack explored the issues that most boys in our nation face today in this fascinating follow up bestseller pollack goes right to the source boys ages 10 to 20 evoking the secret struggles and passions of america s adolescent males in their own words their voices are searingly honest and eager to be heard revealing

how society's outdated expectations force them to mask their feelings of isolation depression longing love and hope we hear from boys and young men in big cities and small towns including survivors of the columbine high school massacre who share compelling extraordinarily candid stories about bullying drugs sports school parents sex love and much more pollack also offers ways to start a dialog and illustrates through templates what to do in many situations this is an eye opening book for teenage boys and girls but with its insights and strategies for dealing with their issues especially invaluable for all the people in their lives

collects plays songs and poems designed to educate about cultural ethnic religious and gender prejudices

sarah west takes a temporary job at her father's south carolina steel mill the summer before college hoping for relief from the chaos of her psychotic and often institutionalized mother soon after moving into her father's home tragic news about her mother arrives the haunting funeral coincides with sarah's first love affair with a fellow mill worker edgewood who shares sarah's artistic gifts confronted with danger and death at the mill mortality confronts sarah and edgewood from every angle and buries deep in their artwork edgewood helps sarah overcome the loss of her mother in the end however sarah will face a greater challenge domesticating her own emerging inner demons while tending to her first lover's uncertainty in himself

the public outcry for a return to moral education in our schools has raised more dust than it's dispelled building upon his provocative ideas in on becoming responsible michael pritchard clears the air with a sensible plan for promoting our children's moral education through the teaching of reasonableness pritchard contends that children have a definite but frequently untapped capacity for reasonableness and that schools in a democratic society must make the nurturing of that capacity one of their primary aims as fundamental to learning as the development of reading writing and math skills reasonableness itself he shows can be best cultivated through the practice of philosophical inquiry within a classroom community in such an environment children learn to work together to listen to one another to build on one another's ideas to probe assumptions and different perspectives and ultimately to think for themselves advocating approaches to moral education that avoid mindless indoctrination and timid relativism pritchard neither preaches nor hides behind abstractions he makes liberal use of actual classroom dialogues to illustrate children's remarkable capacity to engage in reasonable conversation about moral concepts involving fairness cheating loyalty truthtelling lying making and keeping promises obedience character and responsibility he also links such discussions to fundamental concerns over law and moral authority the roles of teachers and parents and the relationship between church and state pritchard draws broadly and deeply from the fields of philosophy and psychology as well as from his own extensive personal experience working with children and teachers the result is a rich and insightful work that provides real hope for the future of our children and their moral education
