this volume brings together contributions from distinguished scholars in the history of philosophy focusing on points of interaction between discrete historical contexts religions and cultures found within the premodern period the contributions connect thinkers from antiquity through the middle ages and include philosophers from the three major monotheistic faiths judaism islam and christianity by emphasizing premodern philosophy's shared textual roots in antiquity particularly the writings of plato and aristotle the volume highlights points of cross pollination between different schools cultures and moments in premodern thought approaching the complex history of the premodern world in an accessible way the editors organize the volume so as to underscore the difficulties the premodern period poses for scholars while accentuating the fascinating interplay between the greek hebrew arabic and latin philosophical traditions the contributors cover many topics ranging from the aims of aristotle's cosmos the adoption of aristotle's organon by al fārābī and the origins of the plotiniana arabica to the role of ibn gabirol's fons vitae in the latin west the ways in which islamic philosophy shaped thirteenth century latin conceptions of light roger bacon's adaptation of avicenna for use in his moral philosophy and beyond the volume's focus on source based contextualism demonstrates an appreciation for the rich diversity of thought found in the premodern period while revealing methodological challenges raised by the historical study of premodern philosophy contextualizing premodern philosophy explorations of the greek hebrew arabic and latin traditions is a stimulating resource for scholars and advanced students working in the history of premodern philosophy

taking sexual violence in the form of rape and hetero psychological physical abuse trafficking and harassment as a point of departure the authors of this volume explore questions about the relationship between sex sexuality and violence in order to better understand the terms on which women's sexual suffering is perpetuated thereby undermining their capacity for personhood and autonomy this volume perceives that while sexual violence as a phenomenon is heavily researched it remains under theorized with anti essentialist views of gender identity of subjectivity and agency and of rationality and consent the essays study both the dynamics and consequences of sexual violence the contributing authors blend the insights of postmodern critique with the common goal of theorizing and acting effectively against the material and psychic suffering perpetuated by the rigid rituals of gendered and sexed life

our lives are full of small tensions our closest relationships full of struggle between woman and man artist and customer purist and

commercialist professional and client and between the dominant and the submissive in dominatrix danielle lindemann draws on extensive fieldwork and interviews with professional dominatrices in new york city and san francisco to offer a sophisticated portrait of these unusual professionals their work and their clients prior research on sex work has focused primarily on prostitutes and most studies of bdsm absorb pro domme client relationships without exploring what makes them unique lindemann satisfies our curiosity about these paid encounters shining a light on one of the most secretive and least understood of personal relationships and unthreading a heretofore unexamined patch of our social tapestry upending the idea that these erotic laborers engage in simple exchanges and revealing the therapeutic and analytic nature of their work lindemann makes a major contribution to cultural studies anthropology and queer studies with her analysis of how gender power sexuality and hierarchy shape all of our social experiences

how does the male masochist provide a metaphor for modern and postmodern power present orthodoxy understands masculine power as invested in unity identity presence and technology in this provocative work however mansfield challenges our fundamental assumptions about masculine power in the postmodern era utilizing representations of masochism in literature psychopathology philosophy and cultural theory the author argues that masculine power can now best be understood as masochistic
