this is the story of a home a story rooted in love the story of a poet born of an irish jazz musician and a jamaican go go dancer an absent father and a resilient mother in springfield road salena godden evokes an era when oranges seemed bigger and summers were longer a world of half penny sweets free school milk hand me downs and thatcher's britain for those too young to remember and for those old enough to know for salena it was a time for learning that life can be brutal with first betrayals and first losses but also that there are endless riches to uncover in the world in equal parts powerful tender and fearless springfield road shows us where in a world full of shadows hope is to be found

who ate my cheese is a story about waking up to reality in a labyrinth in which our society and each one of us is immersed if that little story was a great lesson and a personal teaching who ate my cheese the adventure continues goes further it is a sharp insightful and critical vision of the maze in which we live without hardly realizing its incredible magnitude this book is a voice of hope and a personal and social learning to achieve success and prosperity in all areas and above all inner freedom robert our main character in the last part of who ate my cheese managed to free himself from the maze in which those who had designed it moved the cheese at will according to their interests thus they made everyone go unconsciously and desperately after that bait without knowing that it did not depend on them nor on their abilities and skills whether or not there was cheese but that those who were manipulating the labyrinth scenario subtly

handled them making them believe that they had free will and that they could get whatever they wanted if they followed their instructions but now we will see how we can achieve true success with full freedom and without the need to follow anyone's footsteps or dictates other than those arising from our conscience free of bonds the protagonists of this new story are four the same as in the first part of who has eaten my cheese two giants george and robert and a couple of huge pigs miles and torie we can act like any of them we can decide to be pigs or giants live free or trapped discover ourselves or hide in the maze behind the tinsel and the deception of those who control it robert managed to free himself from the labyrinth after realizing that he was living as a prisoner under its yoke in this second part the other characters have also gone out into the outside world but even so they have not been released but rather they remain trapped in the conditionings and suggestion of the labyrinth and therefore without being able to really achieve success and freedom now they all live immersed in a great maze which directs their lives at its whim but let's see what happened to robert when he finally managed to get out of the maze oh and remember don't move with the cheese
