the dissociative mind in psychoanalysis understanding and working with trauma is an invaluable and cutting edge resource providing the current theory practice and research on trauma and dissociation within psychoanalysis elizabeth howell and sheldon itzkowitz bring together experts in the field of dissociation and psychoanalysis providing a comprehensive and forward looking overview of the current thinking on trauma and dissociation the volume contains articles on the history of concepts of trauma and dissociation the linkage of complex trauma and dissociative problems in living different modalities of treatment and theoretical approaches based on a new understanding of this linkage as well as reviews of important new research overarching all of these is a clear explanation of how pathological dissociation is caused by trauma and how this affects psychological organization concepts which have often been largely misunderstood the dissociative mind in psychoanalysis will be essential reading for psychoanalysts psychoanalytically oriented psychotherapists trauma therapists and students

this is the story of a man who was born and grew up in nova scotia he slipped out of high school when he was seventeen and a half years of age and joined the rcacf after starting training to be a pilot he transferred to gunnery school and eventually became a flight sergeant air gunner after two and a half years and the end of the war he was discharged and worked in various parts of eastern canada he travelled and played in several areas of the world including such places as south america central america europe australia and parts of east asia this book is the story of his my adventures it is intended to be a work of nonfiction but because of a defective and sometimes selective memory may also be viewed as

fiction should this work ever reach print i might for a slight remuneration be willing to include your name remove your name or provide a signed first edition i should also advise that as i am a painter i can supply a crappy 14 x 11 framed painting of a local scene for a minimal fee painted with acrylic paint for only fifty dollars this is a limited time offer don t worry that the fact that i am eighty six years old might preclude me from concluding any or all transactions remember only the good die young

this is my new favorite book about goals mel robbins podcaster and new york times bestselling author what if you could have a fulfilling career a thriving marriage strong friendships and rewarding hobbies all while being in the best shape of your life what if every day you lived was better than the one before what if tapping into your potential wasn t as hard as you think according to new york times bestselling author jon acuff it might not be in fact all it takes is a goal in this book jon shows you how to plan goals that you re guaranteed to reach by focusing on your best moments navigating the three zones of performance finding ways to fuel your passions enjoying the ride sound too good to be true jon thought so too until it happened again and again for him and the hundreds of real people in his research project whether your goals are personal relational or career driven the key to a better future is closer than you think

boris sartorev an american diplomat involved in sensitive middle eastern peace talks finds out at his cost that an eclectic group of friends formed in his wild past hold both the key to the mystery and the winning hand despite the clarity of diplomatic vision being blurred by remembrances of sexual liaisons shared kicks and children born it is soon clear to boris that he is somehow connected to the poker club and therefore frighteningly to their hitzballah roots

in mirrors of a genevian night the author tells us of his reflections on encountering a similar sight when he had to stay outside geneva railway station and geneva airport on a chilling november night he elaborates on one long and exhausting night he spent having been locked out for many hours with nowhere to keep warm with freezing temperatures awaiting his flight to spain for a study module it was during such a night that he encountered many situations that reminded him of his student days and his life back home in india he describes his experiences over the years while watching the time tick by before he could re enter the airport he gives us fascinating insights into his beloved culture his student days his youthful experimentation and love for two ladies

the context of business has been changing for companies in recent years and following numerous corporate and accounting scandals many countries have increased the number of national and international regulations designed to ensure transparency and compliance with the law because of the existence of these new regulations the level of control the severity of sanctions by governments and the amount of the fines for noncompliance have increased dramatically in parallel with the technological revolution in communications business management has become more transparent and any negative event is uploaded to social networks and shared with an indeterminate number of people this change in the regulatory sanctioning and technological context has forced large companies to rethink risks investments and budgets to deal in this more complex environment to transition to this change some companies have included ethics and compliance programs in their corporate agenda along with marketing and sales plans strategies growth targets investment plans and or talent acquisition while each industry has its particular risks in this book the author describes the essential elements that any effective ethics and compliance program should contain this book is a source of information that connects yesterday with today the author shares observations and lessons of the past to suggest corporate leaders implement effective ethics and compliance programs to protect their organizations and themselves the book covers theories of ethics but with an eye focused on practical

application risks ethics and compliance are analyzed with an overall vision connected to the reality of business life without getting bogged down in abstract thinking or in technical and regulatory details ethics and compliance are disciplines that have increasingly achieved greater recognition in organizations thus due to the importance of risk management in the business world and the necessary involvement of the ceo and the board of directors it seems appropriate that executives get access to a book about risks ethics compliance and human resources directed not only to compliance experts but also to any organizational leader this book is a wake up call that allows business leaders to understand the benefits of implementing an effective ethics and compliance program that will help members of organizations to make the right decisions and act within the law if they do they can better prevent and react to the difficult obstacle course of risks dangers and threats that organizations face and that may jeopardize the sustainability resilience and survival of companies

a coming of age story centering on the life of oscar moreira a privileged fourteen year old who attends a catholic boarding school in bogotá colombia
