analyzes the problematic trends facing america s cities and older suburbs and challenges us to put america s urban crisis back on the national agenda

conklin tufts u examines the rapid and sustained decline in the crime rate which occurred in the 1990s focusing on the reasons why there was so little public discourse on the reasons for the shrinking crime problem and assessing the validity of the explanations offered by political leaders law enforcement officials and criminologists primarily in the pages of the new york times annotation c 2003 book news inc portland or booknews com

greater labor market opportunities result in lower crime rates a clear link that is often ignored in policy debates on crime reduction this study examines the labor market

characteristics of the offender ex offender population and the labor market conditions these potential workers face it identifies ex offenders as a distinctly disadvantaged subset of the low wage workforce they have little education weak job histories and weak labor market attachment plus the additional penalty of a criminal record even at a time when the overall economy is growing workers in this sector face higher levels of un and underemployment this monograph argues fuller employment for ex inmates will need innovative labor market solutions including increases in the minimum wage more education and training and the expansion of work supports such as the earned income tax credit

focuses on the social and moral issues surrounding crime prisons and jails

many have pointed to the iran hostage crisis others to galloping inflation in reality as andrew busch makes clear ronald reagan s defeat of president jimmy carter in 1980 was attributable to more than any one issue no matter how galvanizing it marked the growing ascendancy of conservative attitudes that had been brewing for two decades and marked the clear end of the era of new deal liberalism busch offers the first comprehensive study of this contest going beyond journalistic accounts to show why it remains one of the truly landmark elections of the past century through a compelling story full of colorful characters unexpected plot twists and dramatic finales he reveals how it both reflected the politics of its time and foreshadowed our nation s political future beginning with carter s crisis of confidence speech on july 15 1979 busch introduces the field of candidates follows their campaigns through the primaries and general election identifies the key turning points and winning strategies and assesses the results including the gop s first senate majority in twenty six years he shows how the democrats were weakened by the demise of the new deal coalition and a decline in public confidence while republicans were bolstered by the growth of the conservative movement and by all that had gone wrong during the carter presidency he also examines the creation of a sunbelt coalition the growing influence of religious conservatives and the independent candidacy of john anderson which held reagan s majority to 51 percent and foreshadowed ross perot s 1992 run reagan s victory marked a major turning point in american presidential history realigned the demographics of party affiliation throughout the nation especially in the nation s sunbelt and gave conservatives their first real victory in their fight against big government busch s book recaptures the people and events of that historic campaign and greatly enlarges our understanding of american politics from the 1960s to the present

prison privatization is rapidly spreading in many western countries as governments seek to manage burgeoning prison populations within the constraints of a neo liberal political agenda but how is public well being served when prisons are run for profit this volume discusses privatization in its historical and ideological context and in relation to united nations standards and rules it examines the adverse effects of private prisons on physical and sexual abuse health care education training and rehabilitation as corporations seek to maximize profits and describes the impact of cost cutting on prison staff paying special attention to the effect on women children and minorities it also offers a glimpse into the transnational spread of privatized incarceration as developing nations bound by imf restrictions are forced into the hands of transnational corporations to the detriment of local alternatives

new edition of a text that introduces criminology with an emphasis on theory method and criminal behavior in the 14 chapters hagan mercyhurst college covers basic concepts research methods that identify and evaluate the sources of data on crime and criminals general patterns and variations i

this text is a comprehensive presentation of what police do and how with emphasis on critical thinking problem solving and community involvement the authors incorporate the latest research on patrol techniques cultural diversity and changes in police administration policy this book goes beyond the traditional focus on the patrol function of policing but is still geared toward the student pursuing a career in law enforcement

provides coverage of state and local institutions political behaviour and policy making users cite the text s strengths as its policy orientation and it s unifying theme of the increased capacity and responsibility of state and local government
