satan and his demons thought they could defeat god when they rebelled against god they never knew that they would end up being burned alive for 40 billion years then burned alive in the lake of fire forever serves them right for refusing gods love jesus christ is really almighty god mighty in battle the wrath of the lamb is poured out on satan his angels and 2 3 billion people or 1 3 of the earths population during the second coming event satan and his demons and antichrist will be thrown into the bottomless pit for billions of years then they will be taken out for wwiii where the antchrist angel will posses a deadmans body and come to life like jesus to be worshipped mathew chpt 24 is a conditional chpt it depended on the carcass to happen the carcass of mt 24 28 and jesus decided that wwiii should occur after the second coming after the 1000 yr reign of jesus or 40 billion years from now but jesus the king of peace will return in peace at the second coming in my lifetime mathew 24 21 war is broken by mathew 24 28 read my other books matthew 24 28 for wheresoever the carcass is there will the eagles be gathered together the eagles are jesus and satan they hover over a carcass a born again christian who has died or crucified his flesh

in the cross of jesus gospel of paul in romans every born again christian is a carcass but this special individual was to welcome christ and the happenings of mt 24 depended on his decisions and christ's decisions 1 jesus deleted the war of the second coming and the carcass agreed that's why there is no war before the second coming it will be in 40 billion years second reason why wwiii is not now is 2 the sand of the sea in revelation chpt 13 1 is time each grain is a year how many grains on the seashore billions so wwiii is billions of years away 3 third reason the universe will begin to implode in 40 billion yrs the core of the imploding universe is called the lake of fire ii peter 3 7 the lake of fire existed during that time for the false prophet to be thrown in it they co existed the only time wwiii can happen is when the lake of fire existed that can only happen in blueshift when this finite universe of ours is collapsing around 40 billion a d false prophet and lake of fire co existed so wwiii is 40 billion years from now because it was fought when the lake of fire existed and the false prophet existed they co existed so there will be no war in our times that's why jesus inserted mt 24 28 but some bibles say vultures and other strange stuff don't tamper with the bible the reason for all the wild weather in 2000 a d is because jesus christ is returning soon for the second coming is in our generation isaiah 29 6 thou shalt be visited of the lord of hosts with thunder and with earthquake and great noise with storm and tempest and the flame of devouring fire
