postcolonial hauntologies is an interdisciplinary and comparative analysis of critical literary visual and performance texts by women from different parts of africa while contemporary critical thought and feminist theory have largely integrated the sexual female body into their disciplines colonial representations of african women s sexuality haunt contemporary postcolonial african scholarship which by maintaining a culture of avoidance about women s sexuality generates a discursive conscription that ultimately holds the female body hostage ayo a coly employs the concept of hauntology and ghostly matters to formulate an explicative framework in which to examine postcolonial silences surrounding the african female body as well as a theoretical framework for discerning the elusive and cautious presences of female sexuality in the texts of african women in illuminating the pervasive silence about the sexual female body in postcolonial african scholarship postcolonial hauntologies challenges hostile responses to critical and artistic voices that suggest the african female body represents sacred ideological discursive ground on which one treads carefully if at all coly demonstrates how ghosts from the colonial past are countered by discursive engagements with explicit representations of women s sexuality and bodies that emphasize african women s power and autonomy

this report is to study the needs of federal female offenders and to make specific recommendations to the commissioner of penitentiaries and the executive director of the national parole service regarding the development of a comprehensive plan to provide adequate institutional and community services appropriate to her unique program and security needs page 9
