contact between islam and the west is 1400 years old both sides have had more than adequate time to become familiar with the other yet the world is still arguing about islam s teachings is islam peaceful does it commend violence does islam respect the other does islam abuse women is islam anti semitic does islam teach the torment of the grave does islam recommend the beating of wives do muslim scriptures commend temporary marriage of pleasure did zayd divorce zaynab because he had no further need of her all these questions are easy to settle for anyone who can read islamic scripture in arabic the author of this book is such a person however to answer all these questions in the affirmative would do the image of islam much damage in the west where islam is keen to present a polished image especially in the light of much violence committed in its name against westerners muslim leaders and their allies in the west have popularised a distinction between muslims and islamists in order to distance islam from thousands of heinous muslim crimes such as the charlie hebdo massacre are the english translations of the qur an faithful to the original arabic or are they part of the charm offensive muslim petro dollars have financed for years through sponsorship of university departments of islamic studies investing in western media and publishing building islamic centres and financing islamic societies and pressure groups throughout the west this work gives english readers the ability to access the original arabic of the qur an and hadith and see the true face of islam without its face powder it is hoped that this work will assist free thinkers to form their own opinion of islam based on the true qur an without interference from muslim propaganda or any agenda driven discourses

a work to explain what every muslim needs to know about the religion of islam it covers many lessons under 18 chapters

is it possible to spend an entire lifetime running as hard as you can only to look up sweaty and panting and find that youve barely left the starting line its very easy to get off track without the clear and steady voice of god directing and guiding you to the finish but what does gods voice sound like what is he saying where is he leading god speaks into the everyday life of the christian and the language he uses doesnt require a seminary degree or a position on the church staff for understanding god asks only for eyes to see and ears

to hear fishermen and tax collectors learned many of their most valuable lessons when they followed Jesus out of the synagogues and into the streets marketplaces hillsides and seas to discover how God still speaks let's join the conversation

This study investigated whether known economic and international business theories available in the literature are meaningful enough to explain the nature existence and role of multinational companies (MNCs) in the Middle East particularly Saudi Arabia. Two sets of questionnaires were distributed in major cities of Saudi Arabia: one set for 100 multinational managers and another for 280 multinational customers. 234 questionnaires were collected: 45 from multinational managers and 189 from customers. This represents a total response rate of 62 percent, which is adequate for this study. The empirical results supported with comprehensive secondary data confirmed virtually all of the research hypotheses. The study found that joint ventures are the dominant form of multinational business in Saudi Arabia both in manufacturing and service industries. The core roles of MNCs in the Saudi foreign ventures are evident in the cross-border value adding activities of marketing trading manufacturing consulting contracting project management insurance hotel operation and banking. Likewise, MNCs provide licensing franchising financing services and various auxiliary roles in the kingdom. Therefore, the multinationality of a firm or a group of firms operating across national boundaries is not necessarily synonymous with international production. The main subject of contemporary multinational theories. The respondents generally perceived the competitiveness of MNCs operating in Saudi Arabia as a function of a number of economic management marketing technological and other variables. They also perceived the contributions of MNCs to the kingdom's socio-economic developments as significant and positive. The study also found that understanding Islamic values and ethics is important for MNCs. In this regard, the researcher looked at some objective indicators of business success and related them to selected measures of MNCs' local cultural awareness and responsiveness. The results indicate that the business success of multinationals operating in Saudi Arabia is positively related to their local cultural awareness and responsiveness. Along this line, this study covers some vital elements of Islamic culture which will help MNCs understand further the cultural needs values and sensitivities of the Saudi people and Muslims in general.
