new york times bestseller the definitive cookbook on french cuisine for american readers what a cookbook should be packed with sumptuous recipes detailed instructions and precise line drawings some of the instructions look daunting but as child herself says in the introduction if you can read you can cook entertainment weekly i only wish that i had written it myself james beard featuring 524 delicious recipes and over 100 instructive illustrations to guide readers every step of the way mastering the art of french cooking offers something for everyone from seasoned experts to beginners who love good food and long to reproduce the savory delights of french cuisine julia child simone beck and louisette bertholle break down the classic

foods of france into a logical sequence of themes and variations rather than presenting an endless and diffuse catalogue of dishes from historic gallic masterpieces to the seemingly artless perfection of a dish of spring green peas throughout the focus is on key recipes that form the backbone of french cookery and lend themselves to an infinite number of elaborations bound to increase anyone's culinary repertoire julia has slowly but surely altered our way of thinking about food she has taken the fear out of the term haute cuisine she has increased gastronomic awareness a thousandfold by stressing the importance of good foundation and technique and she has elevated our consciousness to the refined pleasures of dining thomas keller the french laundry

composed by two prominent statesmen generals of classical china this book develops the strategies of sun tzu's classic the art of war into a complete handbook of organization and leadership the great leaders of ancient china who were trained in sun tzu's principles understood how war is waged successfully both materially and mentally and how victory and defeat follow clear social psychological and environmental laws drawing on episodes from the panorama of chinese history mastering the art of war presents practical summaries of these essential laws along with tales of conflict and strategy that show in concrete terms the proper use of sun tzu's principles the book also examines the social and psychological aspects of organization and crisis management the translator's introduction surveys the chinese philosophies of war and conflict and explores in depth the parallels between the art of war and the oldest handbook of strategic living the i ching book of changes

with more than 100 classic recipes and technique illustrations throughout mastering the art of chinese cooking makes the glories of this ancient cuisine accessible

as a result of napoleon's campaigns in italy old master art flooded into britain and its acquisition became an index of national prestige maureen mccue argues that their responses to these works informed the writing of romantic period authors enabling them to forge often surprising connections between italian art the imagination and the period's political social and commercial realities dr mccue examines poetry plays novels travel writing exhibition catalogues early guidebooks and private experiences recorded in letters and diaries by canonical and noncanonical authors including felicia hemans william buchanan henry sass pierce egan william hazlitt percy shelley lord byron anna jameson maria graham callcott and samuel rogers her

exploration of the idea of connoisseurship shows the ways in which a knowledge of italian art became a key marker of cultural standing that was no longer limited to artists and aristocrats while her chapter on the literary production of post waterloo britain traces the development of a critical vocabulary equally applicable to the visual arts and literature in offering cultural historical and literary readings of the responses to italian art by early nineteenth century writers dr mccue illuminates the important role they played in shaping the themes that are central to our understanding of romanticism

concise info packed and step by step guide on learning how to master the art of selling anything this book is the result of extensive research and study on mastering the art of selling the major goal here is that almost everybody can sell if he learns how and the how is very easy and simple there are 7 simple steps to lead a product presentation into a closing sell and if done correctly it can hike the sales rate of any salesman no matter what he sells mastering the art of selling anything is a true step by step guide for those who think great sales people are good talkers and if a salesman can not talk he can t sell this idea is almost out dated and obsolete as you will learn from the simple guide in this book mastering the art of selling anything is possible if you know how to lead people from potential prospects into definite buyers and that s only possible if you can generate the feeling of trust by creating enough positive idea around the potential prospects if they trust you they will buy from you if they think you are an authority in the field the chance of buying from you shuts up dramatically so read and re read this book to the end as many times as you can until you master each step and practice the tips explained until you can really help prospects to find what they want to buy and sell them what you want to sell

by means of exercises ranging from simple to challenging illustrated with more than 125 step by step images this book offers a deep understanding of the basic structure of color including how to see what is really out there rather than what you think you know about colored objects intended for the novice in color as well as for more experienced artists and designers the exercises focus on how to successfully mix and combine hues book jacket title summary field provided by blackwell north america inc all rights reserved
