television is a central dimension in our everyday lives and yet its meaning and its potency varies according to our individual circumstances mediated by the social and cultural worlds which we inhabit in this fascinating book roger silverstone explores the enigma of television and how it has found its way so profoundly and intimately into the fabric of our everyday lives his investigation of great significance to those with a personal or professional interest in media film and television studies unravels its emotional and cognitive spatial temporal and political significance drawing on a wide range of literature from psychoanalysis to sociology and from geography to cultural studies silverstone constructs a theory of the medium which locates it centrally within the multiple realities and discourses of everyday life television emerges from these arguments as the fascinating complex and contradictory medium that it is but in the process many of the myths that surround it are exploded this outstanding book presents

a radical new approach to the medium of television one that both challenges received wisdoms and offers a compellingly original view of the place of television in everyday life

meant primarily for students studying international relations aspirants of civil services international relations today concepts and applications captures the drastic changes in international relations after the disintegration of the soviet union and the end of the cold war in 1991 it also examines the rise of china as a major military and economic power and the potential of russia india and germany as tomorrow s big powers it will also be useful for those interested in the discipline

from its first edition in 1979 perspectives in sociology has provided generations of undergraduates with a clear reassuring introduction to the complications of sociological theory this revised and updated edition features a completely rewritten general introduction and conclusion all new introductions to each part clarifying how each one builds on what came before an updated set of formative questions at the end of each chapter a comprehensive glossary of key terms while retaining its emphasis and wealth of information on the founding figures of sociology this sixth edition includes new tools that will allow students from related disciplines to access relevant sociological material quickly
