scholarly yet lyrical and informed by both jungian and freudian theory this worthy sequel to the author s phallos title 27 maps the insecurities and unconscious forces which from early life prompt men to violence and proposes powerful countermeasures

rich in illusions the book brings together in intriguing and helpful ways very different approaches to feminist theory choice provides an indispensable guide for each of us searching for a new way of doing philosophy as women nancy tuana editor newsletter on feminism and philosophy

a question of manhood a reader in black men s history and masculinity is the first anthology of historical studies focused on themes and issues central to the construction of black masculinities the editors identified these essays from among several hundred articles published in recent years in leading american history journals and academic periodicals volume ii picks up where volume i left off continuing to focus on gender by examining the lives of african american men in the tumultuous period following the civil war through the end of the

nineteenth century the writings included in volume two cover themes in the lives of black men that touch on leadership work and the professions family and community sports and the military and the image of black men in the larger society

issue 12 is made up of three parts the first and largest section consists entirely of new writers new to us probably new to you and not even well known by their own families part two is a new story from roddy doyle featuring jimmy rabbitte of the commitments part three is a collection of twenty minute stories by which we mean stories written in twenty minutes from all sorts of people that you know and do not know

a critical examination of the sexuality of heterosexual american men

aims to provide broad cross cultural coverage to encourage comparative analysis of the theme of the anthropology of gender research on women s lives is complemented by articles on male gender roles research into the application of feminist theory to the study of men is incorporated

the selections twelve chapters from thevet s original work describe the exploits of six famous european explorers and six native american chiefs the explorers are columbus magellan cortes pizarro albuquerque and vespucci the chiefs are montezuma atahualpa nacol absou king of the promontory of the cannibals paracoussi satoriona king of the platte and quoniambec the biographies of native americans represented a first in european literature thevet s information came from written and oral sources from his own experience as a colonist in brazil and from other eyewitness accounts

in this brilliantly combative study robyn wiegman challenges contemporary clichés about race and gender a formulation that is itself a cliché in need of questioning as part of what she calls her feminist disloyalty she turns a critical even skeptical eye on current debates about multiculturalism and difference while simultaneously exposing the many ways in which white racial supremacy has been reconfigured since the institutional demise of segregation most of all she examines the hypocrisy and contradictoriness of over a century of narratives that posit anglo americans as heroic agents of racism s decline whether assessing uncle tom s cabin lynching leslie fiedler s racist mapping of the american novel the black power movement of the 60s 80s buddy films or the novels of richard wright and toni morrison wiegman unflinchingly confronts the paradoxes of both racism and antiracist agendas including those advanced from a feminist perspective american anatomies takes the long view what epistemological frameworks allowed the west from the renaissance forward to schematize racial and gender differences and to create social hierarchies based on these differences how have those epistemological regimes changed and not changed over time where are we now with painstaking care political passion and intellectual daring wiegman analyzes the biological and cultural bases of racial

and gender bias in order to reinvigorate the discussion of identity politics she concludes that for very different reasons identity proves to be dangerous to minority and majority alike

this award winning series systematically presents career biographies of writers from all eras and all genres through volumes dedicated to specific types of literature and time periods
