women and politics paths to power and political influence examines the role of women in politics from the  
early women s movements to the female politicians in power today the revised fourth edition includes a  
new preface analyzing the 2020 elections focusing on the historic victory of kamala harris and the  
gendered and racist critiques she endured on the campaign trail recognition of the centennial of women s  
suffrage with greater attention to black and indigenous women s often overlooked contributions to the fight  
for suffrage and expanded rightselection results from the historic 2020 elections when more women filed  
congressional candidacies than ever before and women s numbers in both congress and state legislatures

reached record highs analysis of the gender gap in voting in 2020 focusing on both race and gender updates reflecting president biden s historic cabinet picks including deb haaland as the first native american to lead the department of the interior and janet yellen as the first woman to lead the treasury department coverage of the death of supreme court justice ruth bader ginsburg and the nomination and confirmation of her replacement amy coney barrett

a unique two volume examination of the progress women have made in achieving political equality women and politics around the world addresses both transnational and gender related issues as well as specific conditions in more than 20 countries women and politics around the world a comparative history and survey is an exploration of the role of women in political systems worldwide as well as an examination of how government actions in various countries have an impact on the lives of the female population women and politics around the world divides its coverage into two volumes the first looks at such crucial issues facing women today as health policy civil rights and education comparing conditions around the world the second volume profiles 22 different countries representing a broad range of governments economies and cultures each profile looks at the history and current state of women s political and economic participation in a particular country and includes an in depth look at a representative policy the result is a resource unlike any other one that gives students researchers and other interested readers a fresh new way of investigating a truly global issue

the first comprehensive study of the shining path the maoist sect of indigenous people who waged a brutal war in peru during the 1980s and early 1990s in an attempt to effect a communist revolution

drawing on approaches from critical discourse analysis corpus linguistics and cognitive linguistics this book critically examines metaphorical language used in global media coverage and political statements on the events of the arab spring the volume begins by summarising key events of the arab spring tracing the development of protests from tunisia and egypt to libya and syria as well as the wider impact on the region ullmann builds on this foundation to lay out the theoretical frameworks to be applied to an extensive corpus of natural language and actual discourse highlighting western middle eastern and north african perspectives which integrate theoretical work on metaphor blending theory and semantic prosodies methodological considerations on corpus selection and different conceptualisations of politics and mass media generally and across countries are discussed with the final chapters outlining the overarching themes across metaphors in the corpus and how these metaphors were ultimately framed in the mass media and political landscape this book will be of particular interest to students and scholars interested in critical discourse analysis language and politics and corpus linguistics

this book examines the challenges women face in politics such as the glass ceiling and glass cliff despite increasing success at state and local levels it explores research practices theory and lived experiences to enhance leadership knowledge and development for women globally

this work within the sage reference series on leadership provides undergraduate students with an

authoritative reference resource on leadership issues specific to women and gender although covering historical and contemporary barriers to women's leadership and issues of gender bias and discrimination this two volume set focuses as well on positive aspects and opportunities for leadership in various domains and is centered on the 101 most important topics issues questions and debates specific to women and gender entries provide students with more detailed information and depth of discussion than typically found in an encyclopedia entry but lack the jargon detail and density of a journal article key features includes contributions from a variety of renowned experts focuses on women and public leadership in the american context women's global leadership women as leaders in the business sector the nonprofit and social service sector religion academia public policy advocacy the media sports and the arts addresses both the history of leadership within the realm of women and gender with examples from the lives of pivotal figures and the institutional settings and processes that lead to both opportunities and constraints unique to that realm offers an approachable clear writing style directed at student researchers features more depth than encyclopedia entries with most chapters ranging between 6 000 and 8 000 words while avoiding the jargon and density often found in journal articles or research handbooks provides a list of further readings and references after each entry as well as a detailed index and an online version of the work to maximize accessibility for today's student audience

is democracy hazardous to the health of the environment
