life mimics a marathon more than it does a sprint obvious as that may appear as proud and ambitious parents we often push our children to excel in ways that may help them achieve some early successes but may sap their stamina to endure the more difficult challenges which life may throw at them what is more our obsessive rush to get our children off to a good start overlooks the fact that in life as in a marathon an early lead hardly matters but being too intent on coming first may leave our children

lacking in many of the life skills that a normal childhood would teach them v raghunathan best selling author of games indians play offers an alternative approach that can be even more rewarding life he avers is not a sprint and it does not in the long run matter very much if you missed out on the best school college or job as starters as long as you give yourself the time to develop your personality and skills you will still get where you want at your own pace and perhaps far more happily to illustrate based far more happily to illustrate based on first hand interactions he gives numerous examples of many achievers famous and not so famous among them n r narayana murthy dr kallam anji reddy dr p d k rao v mani ashwini nachappa ila bhatt and g m rao for those helping their children along for success in life or rethinking their children along for success in life or rethinking their own approach to it don t sprint the marathon will prove an invaluable guide

in khaled hosseini s best selling novel the kite runner riverhead books 2003 hosseini shows us an afghanistan rich in tradition and culture and an afghanistan torn apart by war and political strife we see muslims who are not so different from christians or jews in search of the kite runner looks at the basic themes that make the kite runner such a fascinating and thought provoking story and that make it personal for anyone who has ever wished for a chance to do something over written from a christian perspective in search of the kite runner begins with the rudiments of islamic faith and the islam of afghanistan the author likens the struggles of the kite runner s characters and those of other literary figures to the struggles and stories of biblical patriarchs she brings to light the complexities of interpersonal and intrafamily relationships and examines the impact that power guilt and the quest for forgiveness and redemption can have on our lives exploring both the individual and the collective basis for doing good hayes probes our perceptions about what it means to be religious and what it means to be human from the popular insights series

a state of the art look at the pathophysiology diagnosis and treatment of running injuries with contributions from numerous national authorities includes unique contemporary coverage of nutritional needs cholesterol and heart disease and the female runner the editor is both a well regarded physician of sports medicine and a long distance runner

linking reading assessment to instruction an application worktext for elementary classroom teachers second edition applies current theory to classroom practice by providing in each chapter a brief explanation of major concepts followed by guided practical experience in administering scoring and interpreting reading assessment techniques changes in this revised second edition include more information about portfolio assessment and a new chapter on running records like the popular first edition this new edition emphasizes the use of assessment and diagnosis for instructional decision making rather than for simply giving grades stresses the use of informal assessment techniques reflecting the current emphasis in educational assessment theories but also includes coverage of standardized test scores provides both classroom tested results and interpretations of the data giving students step by step experience in administering scoring and interpreting assessment techniques and includes

numerous hands on activity worksheets and t uD

known for its practical applied approach the fourth edition of john venn s assessing student s with special needs continues to focus on how teachers can use assessment as a guide to instruction this noteworthy revision focuses on what teachers really need to know to include assessment in the curriculum coverage includes all of the core information expected of an assessment text but the book goes far beyond the basics by addressing multicultural considerations technology and assessment high stakes testing and the reauthorization of idea the book clearly shows how assessment is more than giving a test to a child but is an essential tool for teachers as they help students achieve learn develop and grow

this text introduces all aspects of language arts instruction while emphasizing the integration and interdependence of each element reading writing speaking and listening topical coverage includes language development and emerging literacy the teaching of reading and writing the role of drama and children s literature in the classroom and methods of assessment
