this book reflects on the public policies programmes and regulatory frameworks that are taking a rights based approach to expanding social protection coverage and benefits in latin america with a view to achieving universal coverage its discussion of the policy tools and programmes pursued in the region aims to provide the reader with technical and programmatic insights for assembling and coordinating public policies within consistent and sustainable social protection systems the combination of normative orientations and stock of technical knowledge together with advances regarding the rights based approach to social protection within a life cycle framework afford the reader not only a tool box of specific social protection instruments but also an in depth examination of related political economy aspects

master s thesis from the year 2013 in the subject law miscellaneous grade 1 7 course master of international and european public law language english abstract historically diplomatic immunity arose out from the respect of the messengers who carry the message of their ruler or sovereign to declare war conclude peace or about other important national issues what is the appropriate scope of diplomatic immunity or whether the diplomatic privileges and immunities are too broad and in what parts they

should be limited the answer to this question requires the study of the history theory and practice of the diplomatic privileges and immunities the vienna convention is the vital subject of this work because it codified in details the customary law and the diplomatic practices regarding the diplomatic privileges and immunities this work also analyses some cases explaining how the rules regarding the diplomatic privileges and immunities are implementing in practice

the eu engages in aspects of security sector reform ssr through eupol afghanistan the police mission launched in 2007 and through the european commission s contributions to justice reform in the country based on an analysis of past efforts at police reform by the eu and other european and international actors this occasional paper identifies a set of internal and external coordination challenges that hamper mission success internally institutional constraints have meant that the coordination of eu instruments has been difficult to achieve member states meanwhile have until recently focused primarily on bilateral contributions to police and justice reform in the case of germany and italy respectively or on their military contributions to the international security assistance force isaf externally the resource gap and differing philosophies underlying police reform on the part of the us the biggest contributor to police reform and the eu have meant that coordination has been lacking and existing coordination bodies unable to fulfil their tasks limited resources deployed in pursuit of police reform exacerbate these difficulties as inadequate commitments of political material and personnel resources all too often translate into a loss of political influence at the strategic level the paper therefore argues that only by improving coordination and by increasing resources and efforts at formulating and implementing joint strategies will the eu and its member states have a positive impact on ssr in afghanistan given the deteriorating conditions in the country the upcoming presidential elections and a renewed focus on afghanistan on the part of the us administration the eu and its member states would do well to step up their efforts and their commitment to reforming afghanistan s police and justice system
