this book serves as a critical resource for educators across various roles and contexts who are interested in holocaust education that is both historically sound and practically relevant as a collection it pulls together a diverse group of scholars to share their research and experiences the volume endeavors to address topics including the nature and purpose of holocaust education how our understanding of the holocaust has changed and resources we can use with learners these themes are consistent across the chapters making for a comprehensive exploration of learning through the holocaust today and in the future

this is the first book to deal exclusively with ludic interactions with classical antiquity an understudied research area within classical reception studies that can shed light on current processes of construction and appropriation of the greco roman world classical antiquity has for many years been sold as a product and consumed in a wide variety of forms of entertainment as a result games playing and playful experiences are a privileged space for the reception of antiquity through the medium of games players performers and audiences are put into direct contact with the classical past and encouraged to experience it in a participative creative and subjective fashion the chapters in this volume written by scholars and practitioners cover a variety of topics and cultural artefacts including toys board games and video games as well as immersive experiences such as museums theme parks and toga parties the contributors tackle contemporary ludic practices and several papers establish a dialogue between artists and scholars contrasting and harmonising their different approaches to the role of playfulness other chapters explore the educational potential of these manifestations or their mediating role in shaping our conceptions of ancient greece and rome altogether this edited collection is the first to offer a comprehensive overview of the ways we can play with antiquity

blending global scope with local depth this book throws new light on important themes

spanning four centuries and vast space it combines the history of ideas with particular histories of encounters between european voyagers and indigenous people in oceania island southeast asia new guinea australia new zealand and the pacific islands

reflects the diversity of modern student population and emphasizes the need to gear instruction to include all students this text provides templates for planning programs and making modifications for average gifted esl and bilingual students it emphasizes strategies techniques and materials for students who are struggling to learn

the sage handbook of frankfurt school critical theory expounds the development of critical theory from its founding thinkers to its contemporary formulations in an interdisciplinary setting it maps the terrain of a critical social theory expounding its distinctive character vis a vis alternative theoretical perspectives exploring its theoretical foundations and developments conceptualising its subject matters both past and present and signalling its possible future in a time of great uncertainty taking a distinctively theoretical interdisciplinary international and contemporary perspective on the topic this wide ranging collection of chapters is arranged thematically over three volumes volume i key texts and contributions to a critical theory of society volume ii themes volume iii contexts this handbook is essential reading for scholars and students in the field showcasing the scholarly rigor intellectual acuteness and negative force of critical social theory past and present

the conference timetable had to be so arranged as to spread the main topics over several separate sessions it was therefore decided to publish the material in these proceedings under nine subject headings irrespective of session within each chapter which is preceded by a list of the sessions featuring the subject all papers invited and contributed whether presented at the conference or accepted for publication only have been arranged in some logical order the reports of the four panel discussions were edited or summarized by the respective moderator in consultation with panel members in one instance shortened versions of the introductory papers precede the discussion where possible verbatim accounts of the often lively exchanges have been retained the customary catalogue of high energy accelerators has been published separately the continuing world wide activities in accelerator research with its ever larger projects are reflected by the numerous contributions accepted for inclusion in these proceedings which have reached the limit of what a single volume can manageably contain while making rapid publication even harder to achieve all the more reason to extend the gratitude of all concerned to those involved in the chain of production to the authors for their prompt handing in or timely posting of their papers thanks also to their secretaries who followed the guidelines for the presentation of camera ready copy
