a smorgasbord of entertainment and lessons awaits readers as author joe farrell releases through xlibris a unique memoir confessions of a catholic schoolboy jesus runs away and other stories chronicles his journey as a student who enjoys a carefree life amid schools of rigid discipline and stern religious training in the early sixties being in a catholic school means being compelled to always abide by the rules pray earnestly when told to do so study the lessons to answer questions correctly a yes or no answer should always be followed by sister and never ever do anything that would upset or make the teachers mad through vivid narration confessions of a catholic schoolboy

unveils the funny side that lurks behind the austere façade of catholic schools it follows the author as he finds himself caught up in different mischief during grade school and to even more grave misbehaviors including a police arrest during high school and college a baby boomer farrell s life is one that is carved by the tumult of the fifties and sixties and the social and personal dramas that come along with it his is an interesting wave of colors brightened by adventure discipline lessons learned friendship and love providing a good glimpse into the life of pure catholic training confessions of a catholic schoolboy jesus runs away and other stories is a witty revelation of a schoolboy s shenanigans and the ultimate inspiration one can get from them this memoir of growing up in the 60 s is full of farrell s wit humor and irreverence yet it s a touching and poignant story a fun and enjoyable read

the transition from young layman aspiring to be a physician to the young physician skilled in technique and confident in his dealings with patients is slow and halting to study medicine is generally rated one of the major educational ordeals of american youth the difficulty of this process and how medical students feel about their training their doctor teachers and the profession they are entering is the target of this study now regarded as a classic boys in white is of vital interest to medical educators and sociologists by daily interviews and observations in classes wards laboratories and operating theaters the team of sociologists who carried out this firsthand research have not only captured the worries cynicism and basic idealism of medical studentsâ they have also documented many other realities of medical education in relation to society with some sixty tables and illustrations the book is a major experiment in analyzing and presenting qualitative data
