religions in today's culture seem to be multiplying. Have you ever wondered why certain religions believe and practice what they do or how they view the Bible? This volume delves into these and other engaging questions such as how can a Christian witness to people in these religions do these other religions believe in creation and a creator? How do we deal with these religions from a biblical authority perspective? Many religions and cults discussed in this first volume openly affirm that the Bible is true but then something gets in their way and there is a common factor: every time man's fallible opinions in one way or another the Bible gets demoted, reinterpreted, or completely ignored. Man's ideas are used to throw the Bible's clear teaching out the window while false teachings are promoted. This book is a must for laymen, church leaders, teachers, and students to understand the trends in our culture and around the world where certain religions dominate. Helping you discern truth and guard your faith when you understand a religion's origins and teachings, you are in a better position to know how to proclaim the gospel of Jesus Christ as you take the good news to those in false religions.

Cults and false religions are dangerous. They preach a false gospel and lead people into a false spirituality. Their victims are kept blinded from the true gospel of Christ while they are held in bondage to whatever false belief system and legalistic practices they must maintain. Major cults and false world religions reveals several key characteristics that make them unbiblical. It exposes several major cults and false religions that have the majority of the world's population deceived and headed for hell. This book is the result of

thirty four years of evangelism work studying comparative religions and apologetic research and debate it will equip you with a basic understanding of what each group believes and how to clearly discern and refute many of their unscriptural teachings and attacks
