a compilation of thirty seven essays outlining and exemplifying reformed views on the major christian doctrines and practices as editor donald mckim notes this volume constitutes the only substantial theological reference tool for studying the major emphases of reformed theology

a concise and readable study for laypersons and clergy alike this book is indispensable for all informed people in many different confessional communities with the passion of one who not only observes but believes john leith touches on all aspects of reformed history theology polity liturgy and christian culture with a balance of enthusiasm and critical judgment that always rings true

there is nothing like this interactive workbook anywhere in the reformed community it is a unique workbook designed to bring reformed theology to students of the bible in its various facets in old england an apprentice is a novice who engaged in a covenant with a tradesman to learn a particular trade a workbook of this kind was created to engage the student of scripture to be apprenticed under the teachers of reformed theology thus a reformed apprentice the purpose of the workbook is to come into a deeper knowledge and relationship with the lord jesus christ as he has revealed himself to the church in his word and by his spirit through the centuries in reformed theology the workbook covers logic hermeneutics theology creeds and confessions covenant theology worship the sovereignty of god the solas of the reformation the doctrines of grace church government and much much more it extensively quotes the early church fathers the reformers the puritans and reformed theologians from various ages in order to aid the reformed apprentice in coming to a knowledge of what truly constitutes reformed theology and the reformed faith this workbook is not to be completed in a short timeframe nor is it governed by a specific amount of time the reformed apprentice has as much time to complete each section at their own pace as they need in order to walk more closely with jesus christ

this one of a kind resource offers 37 essays outlining and exemplifying reformed views on the major christian doctrines and practices includes contributions by noted authors as hendrikus berkhof g c berkouwer alvin plantinga nicholas wolterstorff lewis smedes donald bloesch allan boesak and geoffrey w bromiley

in the story of the church's continuing theological dialogue the westminster confession stands as a towering accomplishment persons in the reformed tradition especially english speaking calvinists have been shaped by the westminster confession as by no other christian creed even in rebellion against it men and women continue to be formed by it john leith focuses on the background and character of the assembly that wrote this document after placing the confession in its historical political cultural and theological contexts dr leith examines its major themes the bible the lordship and sovereignty of god the covenant and the christian life finally he looks at the question of the westminster confession as normative authoritative theology the westminster confession should be neither idolized nor rejected says dr leith it should be accepted for what it is a remarkable theological achievement of the reformed community in the seventeenth century and received with gratitude for the guidance that it may give for the theological task today

the eucharist in the reformation incarnation and liturgy takes up the words this is my body this do and remembrance of me that divided christendom in the sixteenth century it traces the different understandings of these simple words and the consequences of those divergent understandings in the delineation of the lutheran reformed and catholic traditions the different formulations of liturgy with their different conceptualizations of the cognitive and collective function of ritual the different conceptualizations of the relationship between christ and the living body of the faithful the different articulations of the relationship between the world of matter and divinity and the different epistemologies it argues that the incarnation is at the center of the story of the reformation and suggests how divergent religious identities were formed

the collect is a form of prayer which is a core part of the liturgical worship of most christian traditions certainly in the christian west yet relatively little work has been done to reflect on the use of this common form of prayer in different traditions and the protestant tradition in particular in this representative collection of essays bridget nichols draws together a range of leading scholars who reflect on the history and the development of this form of prayer common to all churches of the western tradition as well as offering a historical introduction the book offers reflections on the collect in the methodist tradition in baptist worship in scandinavian lutheran traditions in american lutheranism and on collect writing today contributors include jeremy haselock karen westerfield tucker michael perham john lampard and david kennedy

leading scholars highlight the growing dialogue between proponents of radical orthodoxy and thinkers in the reformed tradition
