he was never truly gone only biding his time late on midsummer's night there is a splash in the river thames a body is found on an island asphyxiated and laced with strange markings for dci craig gillard it's a baffling case the victim's identity is elusive clues are scarce and every witness has something to hide meanwhile one of britain's deadliest serial killers is finally up for parole after a deal to reveal the location of two missing bodies the felon has his own plans to get even with witnesses accusers and the officer who caught him thirty years before and who was that a young trainee by the name of gillard don't miss the new explosive crime thriller from master storyteller nick louth perfect for fans of mark billingham cara hunter and robert bryndza

contemporary psychoanalysis has devoted so much of its attention to relational and interpersonal aspects of psychic life that questions have begun to emerge regarding the place of the body and bodily experience in our psychological worlds relational perspectives on the body addresses these questions in exemplary fashion contemporary relational theorists synthesize a variety of theoretical trends and influences including feminism and postmodernism in order to provide innovative relational models of psyche soma integration throughout the book contributors pay attention to the analysand's and the analyst's experiences as they devise original technical responses to the multifaceted ways in which bodily experiences enter into the relational matrix of psychoanalytic treatment in the process contributors take up subjects that are seldom addressed in the clinical literature including breast cancer in the analyst psychoanalytic treatment of munchausen's syndrome physical deformity and musculoskeletal back pain the final three chapters by looker balamuth and anderson respectively grew out of a study group that continues to investigate the relationship between somatic and symbolized experience the editors are well equipped to undertake this project lewis aron is a leading relational theorist and clinical analyst and frances sommer anderson has employed a psychoanalytically informed approach to treating musculoskeletal back pain and other somatic symptoms for 18 years the editors have enlisted original contributions from an excellent group of colleagues placing relational perspectives on the body at the forefront of the revival of interest in the body and bodily experience in psychoanalytic theory and practice
