jonathan swift s satirical masterpiece gulliver s travels has shocked and delighted readers worldwide since its publication in 1726 at turns a humorous and harrowing indictment of human behaviour it has been endlessly reinterpreted by critics and adapted across media by other artists the cambridge companion to gulliver s travels comprises 17 original chapters by leading scholars written in a theoretically informed but accessible style as well as providing detailed close readings of each part of the narrative this companion relates gulliver s travels to the political religious scientific colonial and intellectual debates in which swift was engaged and it assesses the form of the book as a novel travel book philosophical treatise and satire finally it explores the travels rich and varied afterlives the controversies it has fuelled the films and artworks it has inspired and the enduring need authors have felt to write back to swift s original disturbing and challenging story

a guide to graphic novels for children and pre teens offers historical and genre information provides collection building tips and discusses how to manage promote and maintain the collection

beowulf's presence on the popular cultural radar has increased in the past two decades coincident with cultural crisis and change. Why, by way of a fusion of cultural studies, adaptation theory, and monster theory, beowulf's popular afterlife examines a wide range of Anglo-American retellings and appropriations found in literary texts, comic books, and film. The most remarkable feature of popular adaptations of the poem is that its monsters, frequently victims of organized militarism, male aggression, or social injustice, are provided with strong motives for their retaliatory brutality. Popular adaptations invert the heroic ideology of the poem, and monsters are not only created by powerful men but are projections of their own pathological behavior. At the same time, there is no question that the monsters created by human malfeasance must be eradicated.

In this guide, 100 recommended books and booktalks offer the perfect way to start value discussions with teens and teen/adult book groups. With its focus on current popular titles, value-packed booktalks, genre talks, and more for teen readers, is a flexible tool for all educators, from young adult YA librarians and readers advisors at public libraries to school librarians and teachers. Booktalks are provided for young adult literature published between 2006 and 2010, organized by values addressed in specific genres. Examples of discussions show how these booktalks can help teens define what is personally important to them and why. Unique in that it ties current popular genres to values: courage with adventure titles, problem solving with mystery/suspense. The book focuses on 100 recently published YA fiction and nonfiction titles, offering summaries, lists of themes, values, statements, booktalks, and curriculum connections. It also cites passages appropriate for read-aloud booktalks, designates a general grade range (middle, junior, or senior high school), notes gender appeal for the titles (male, female, or cross gender), and lists similar or related works, some published before 2006.

The 1st ed. includes an index to v. 28-36 of St. Nicholas.
