the last man is mary shelley s apocalyptic fantasy of the end of human civilisation set in the late twenty first century the novel unfolds a sombre and pessimistic vision of mankind confronting inevitable destruction interwoven with her futuristic theme mary shelley incorporates idealised portraits of shelley and byron yet rejects romanticism and its faith in art and nature

the last man is a post apocalyptic science fiction novel by mary shelley which was first published in 1826 the book tells of a future world that has been ravaged by a plague the novel was harshly reviewed at the time and was virtually unknown until a scholarly revival beginning in the 1960s it is notable in part for its semi biographical portraits of romantic figures in shelley s circle particularly shelley s late husband percy bysshe shelley and lord byron

presents an apocalyptic fantasy of the end of human civilisation set in the late twenty first century this novel unfolds a sombre and pessimistic vision of mankind confronting inevitable destruction interwoven with a futuristic theme it incorporates portraits of shelley and byron yet rejects romanticism and its faith in art and nature

beyond her most famous creation the nightmarish vision of frankenstein s creature mary shelley s most enduring influence on politics literature and art perhaps stems from the legacy of her lesser known novel about the near extinction of the human species through war disease and corruption this novel the last man 1826 gives us the iconic image of a heroic survivor who narrates the history of an apocalyptic disaster in order to save humanity if not as a species then at least as the practice of compassion or humaneness in visual and musical arts from 1826 to the present this postapocalyptic figure has transmogrified from the last man into the globally familiar filmic images of the invisible man and the final girl reading shelley s work against the background of epidemic literature and political thought from ancient greece to covid 19 eileen m hunt reveals how shelley s postapocalyptic imagination has shaped science fiction and dystopian writing from h g wells m p shiel and george orwell to octavia butler margaret atwood and emily st john mandel through archival research into shelley s personal journals and other writings hunt unearths shelley s ruminations on her own personal experiences of loss including the death of young children in her family to disease and the drowning of her husband percy bysshe shelley shelley s grief drove her to intensive study of greek tragedy through which she developed the thinking about plague conflict and collective responsibility that later emerges in her fiction from her readings of classic works of plague literature to her own translation of sophocles s oedipus rex and from her authorship of the first major modern pandemic novel to her continued influence on contemporary popular culture shelley gave rise to a tradition of postapocalyptic thought that asks a question that the covid 19 pandemic has made newly urgent for many what do humans do after disaster

a fascinating tale readers who are into high altitude adventure stories won t be disappointed associated press in 1939 the savage mountain claimed its first victim born into vast wealth yet uneasy with a life of leisure dudley wolfe of boston and rockport maine set out to become the first man to climb k2 the world s second highest mountain and in the opinion of mountaineers an even more formidable challenge than mt everest although close to middle age and inexperienced at high altitude wolfe with the team leader made it higher than any other members of the expedition but he couldn t get back down suffering from altitude sickness and severe dehydration he was abandoned at nearly 25 000 feet it would be another sixty three years before the author discovered his remains

in this unique enlightening monograph toivo koivukoski explores the circumstances that have

led modern society to use the concept of progress as a surrogate cosmology that gives individuals a sense of place and purpose by linking various historical paradigms from german idealist philosophy to contemporary philosophies of technology this work of political theory describes an alternative immanent pattern of development that is in a sense driven by its own unintended consequences the meditations outlined within this book map out the hypertext pathways of our global system making its constitutive relations and underlying thought processes transparent koivukoski mirrors the new hyper realities of electronic communications technologies by structuring the text in compact subchapters that are linked through an index of subjects that allows readers to find their own philosophy by jumping to areas of interest if as he argues history understood in a linear lockstep fashion is over then the ways of developing concepts should change respectively so that the sorts of retrievals anticipations loops and leaps that characterize nonlinear networked thinking are consciously realized in an identity of form and substance

the last man is an apocalyptic dystopian science fiction novel by mary shelley which was first published in 1826 the book describes a future earth at the time of the late 21st century ravaged by a new pandemic of a mysterious disease which quickly sweeps across the world ultimately resulting in the near decimation of all humanity it also includes a discussion of english culture as a republic with mary shelley sitting in meetings of the house of commons to gain an insight into the governmental political system of the romantic era within the novel she dedicates it highly to her husband percy bysshe shelley who drowned in a shipwreck four years before the book s publication it is also dedicated to her close friend lord byron who adored the greek isles which were eventually his place of death two years previously
