writing primarily for student and newly qualified teachers whose classroom experience is necessarily limited the author takes pains to elucidate why to assess what to assess and how to assess this title highlights aspects of progression and continuity in the teaching of english across the foundation and primary years and encourages readers to develop an understanding of key principles and the confidence to apply these appropriately to their classroom practice

barnaby lenon and tracey smith have teamed up to give new teachers a great introduction into training for their career combining their expertise and years of experience together they explore the basics of teacher training in england how best to prep for training assessment behaviour management subject knowledge and structuring lessons while also covering topics such as trends and measuring success

the essential teaching theory and practice text for primary mathematics covering the skills of planning monitoring and assessment and class management it relates these specifically to primary mathematics with full coverage of the theory and practice required for effective and creative mathematics teaching this text is an essential guide for all trainees working towards qts throughout practical guidance and features support trainees to translate this learning to the classroom embed ict in their lessons and to understand the wider context of their teaching this 7th edition has been updated in line with the new national curriculum

reflective teaching is the definitive textbook for reflective classroom professionalism it offers support for trainee teachers mentors newly qualified teachers and for continuous professional development this second edition has been revised and updated to enhance classroom use

this second edition has been fully updated in line with the standards for qualified teacher status qts 202 it will prepare student trainee teachers to meet the competencies required for the teaching standards the author looks at professional values and practice planning and targets monitoring and assessment teaching and class management written in a lucid and engaging style it offers the reader a well informed set of insights into the complexities challenges and opportunities presented by the new requirements checklists diagrams and clearly defined sections for key areas make this book extremely accessible for trainee teachers class teachers and mentors it is essential reading for all those who want to clearly understand the ideas behind and practical application of the standards

i could not help but admire the breadth and scope of this text this is a book i would recommend to all no matter what route they take to train as a teacher of english it is aimed at secondary teachers but would be equally useful for those preparing to teach in further education not only does it provide concise and balanced accounts of key pedagogic issues it also includes a range of interesting and

engaging lesson suggestions this book does cover a lot of ground with excellent chapters on planning assessment teaching reading and teaching poetry this is a text that should accompany every student teacher of english and find its way on to the shelf of all practising teachers this book excited me it is written in a style that makes you want to try out activities and take up challenges this book will encourage the student teacher to embrace the subject of english along with its associated values and debates escalate read the full review as posted on the escalate website the education subject centre for the higher education academy if i was training to teach english today this is the book i would want an extraordinarily professional handbook of good practice compiled by a team of university lecturers it admirably demonstrates the way theory and practice can combine to illuminate the carried demands of being an english teacher today geoff barton times educational supplement teacher magazine i was most impressed anyone following the modules as they are would learn a huge amount and benefit so much from them donna bryant deputy head camborne school and community college cornwall the activities were both challenging and rewarding these would be useful and would promote self reflection and the notions of personal progression and goal setting for the student alan jones assistant headteacher simon langton boys school canterbury this is a complete guide to how to become a successful teacher of english in secondary school the book enables readers to design a tailor made programme to suit their individual needs as a student teacher either the learner or the tutor can select or combine units and activities and there is no assumption of prior knowledge this book is based on innovative teaching material developed by four institutions of higher education which has been used to develop student teachers based on proven teaching success and the authors own experiences of teaching english in secondary schools the book's key features include full coverage of the revised standards for qualified teacher status including creative approaches to delivering the framework for teaching english years 7 8 and 9 the cultural historical social and political models which support the english teaching curriculum english teaching for the development of an on going working pedagogy recognizing the need for dialogue and interaction with both theory and practice inclusion equal opportunities assessment and ict included throughout with recognition of the importance of digital literacies this is an essential book for english student teachers on flexible graduate registered training schemes and traditional pgce programmes it is an essential resource guide for their tutors for practising english teachers who want to update their skills and for those doing continuing professional development diplomas masters level work or phds
