one of the most formidable tasks that an individual faces today is to learn this simple truth that is life is a journey of self realization getting thoughts create barriers that prohibit understanding an affected person is unconsciously

misled to believe that the only reality that exists is the one experienced by the five senses as such spirituality is reduced to a mechanical affair where the soul is bound and heaven is perceived as being a distant place that is unexperienceable until after death the message contained in this book illuminates the idea heaven is a choice and it can be experienced now to claim this miracle for self it is necessary to re work the thoughts in the mind those that create what is not wanted must be let go and as a mother bear protects her cub one must guard the thoughts allowed into the mind taking personal responsibility is at the heart of this self work this personal revolution is a process any courageous enough to claim it can expect to create the following intimate social relationships responsive political systems schools that teach children who they are and loving families

this book is an experiential analysis of over twenty modern religious spiritual groups the book is divided into two generic segments inclusive of a tri perspective experiential analysis using a variety of cult danger rating scales and a more personal experiential description of the author s involvement in these groups written in stream of consciousness essay form the groups explored include controversial religious organizations such as scientology and the unification church as well as lesser known religious groups such as conversations with god and avatar and also new age retreat centers such as omega institute for holistic studies and kripalu center for yoga and health the author describes both the dangers and benefits of various groups and based upon his own experiences is able to rate these groups on a cult danger vs spiritual benefits scale on a gradient from high cult danger to favorable spiritual group

try to rest in the knowledge that many unseen forces are working diligently on your behalf and that truth like a flower opens in its own time right now you are observing the bud it is beautiful in its own way as is every stage of the blooming process observing a bud for the very first time one would never suspect what it will become your mind is also a bud you have no comprehension of all that you dont know make no judgments regarding all that you have to consider right now wait for the bloom to appear

the book is dedicated to all sikhs muslims and hindus who did not forsake their humanity during the partition of india and saved the lives of those who prayed differently even at the cost of their own lives there is no vanity greater than the spiritual arrogance of the virtuous a single unseasonal shower and the buried seeds of weeds spring to life to mock at your pseudo status of saintliness it is not easy to keep spiritual chastity unsullied in a world where everything but truth prevails peshawar remains forever the burial ground of empires armies and ambitions of those that wanted to grow
