money is prosperity the book introduction to vedic astrology volume iii is a unique book which is very informative and also easy to understand one book is truly the equivalent of several books on astrology you can make predictions of horoscope for you or any member of your family with the help of this single book this provides some of the elementary and in depth essential elements of complete horoscope predictions many of the basics of astrology are explained in detail astrology is not knowing your future but planning your future by averting the misshapeness by action in the right muhurta and at the right time wearing gems wearing yantras chanting mantras and prayers it is important to realize that success comes only with the right actions at the right timing the whole secret of astrology is right timing this book provides the best times for successful ventures such as starting a business buying a home or investing in the stock market jp morgan made a fortune using astrology for right timing this knowledge is made available to you through this book by using the book your life will be more prosperous than ever before it is important to work smartly but not hard this book gives you the followings 1 the prospective tools to make your life more rewarding 2 career and love life at its ultimate zenith 3 guidelines to ever dream of becoming a star 4 discovering your financial fortune in life 5 secrets of looking at the best you can be every day 6 start a professional practice and setting your fees 7 horoscope predictions of any person enormous books are available in the market each one covering one or

two topics on astrology in the developed countries like america france japan germany and britain plenty of books on astrology are available covering one or two topics but it cost much more than our buying capacity one has to read many books to master astrology and also to predict the individual horoscope chart our life is speedy it is ever active and is changing every moment each one of us is facing difficulty at every step this book will facilitate to reach your destination by moving ahead with ease even in the storming situation this is so much strife and struggles in the present time as it was never before this is a time of ready made food and fast food nobody has time to cook the food and then eat only this feeling motivated me and necessitated making this book this is easily approachable and compact it is full of all information in one place to be referred easily and quickly by anybody whether busy in any profession i have tried to make clear what the correct astrology works is these are all correct facts figures collected from various books and incorporated here in a single book for the first time for use by the common men behind all this there is my exhaustive study and collections more than the study is the presentation of the subject matter and even much more than the presentation of the subject matter is long years of experience and association with the astrology work all over india and abroad this gives authenticity to the book this book is a tool for the jyotish students the beginners and the somewhat advanced students and the professionals too many psychic services charge you as much as 50 75 or even 200 for a single reading of your life prediction but this book offers you a single instrument for reading as many as you want and that too at the cheapest rate the technically advanced matters allow you to deliver your reading to you accurately quickly and effectively not only will your reading be incredibly accurate but also you will have it available to read and analyses at your own pace besides this book offers you an opportunity to record your readings and readings of your family members by yourself just realize that how much you are going to save on account of horoscope readings for you and your family

vedic or jyotish astrology has its roots in indian and hindu culture making it markedly different from its western counterparts the author of this book explains how it can be used and how it shouldn t be used in this introduction complete instructions easy to understand charts glossary bibliography index

astrology of the seers is a clear yet comprehensive presentation of vedic astrology and makes this difficult to understand subject clear practical and relevant it reveals the deeper implications of the vedic system in sections on astrology as a spiritual science astrology and psychology astrology and yoga of special interest the book explains the cycle of the world ages yugas showing the vedic view of human history and the connection of our solar system with galactic sources of energy thirty two example charts of all types are explained including those of many spiritual teachers covering all the main aspects of its philosophy background and practice including chart interpretation and methods of balancing planetary influences such as mantra and gem therapy the present edition has been thoroughly revised and updated

the word yoga in astrology means specific combination of planets which grants both good and bad results in the life of an individual based on dasa bhukti period sub period which relates to karmas in previous lives i have also included examples of horoscopes to denote explanation to most of the yogas there are innumerable yogas in jyotisha i have selected certain important combinations which are commonly seen and to be studied for the benefit of mankind frequencies and modes of vibrations emitting from planets plays a vital role in the lives of all 3 dimensional souls on earth

the first book on annuasl horoscopy or varshaphala the tajika system which id fully illustrate

in vedic astrology the associations the planets form or variations of how they are placed in a horoscope are referred to as yogas yoga literally means union or that which adds joins or yokes astrologically yoga refers to planetary combinations or configurations and their special results which affect the life of an individual in traditional indian ephemeris known as panchang yoga is also a particular division of time arrived at by adding longitudes of the sun and the moon at birth these are 27 in number starting from viskumbha to vaidhriti each governed by a different constellation or lunar mansion which are also 27 in number in spiritual field the word yoga means training taming and stimulating the body and mind with universal soul in ayurveda the yoga of two or more medicines gives specific results yogas are one of the unique features of vedic astrology there are hundreds of yogas mentioned in various classical texts most of the yogas are formed of more than one planet but all combinations do not mean a yoga formation the idea behind these yogas is to equate the planets strength in a chart and how when they will produce their effects in a native s life

jyotisha or jyotishya from sanskrit jyotiṣa from jyóti light heavenly body is the traditional hindu system of astrology also known as hindu astrology indian astrology and more recently vedic astrology the term hindu astrology has been in use as the english equivalent of jyotiṣa since the early 19th century whereas vedic astrology is a relatively recent term entering common usage in the 1970s with self help publications on Āyurveda or yoga vedanga jyotishya is one of the earliest texts about astronomy within the vedas 1 2 3 however some authors have claimed that the horoscopic astrology practiced in the indian subcontinent came from hellenistic influences post dating the vedic period 4 some authors argue that in the mythologies ramayana and mahabharata only electional astrology omens dreams and physiognomy are used but there have been several articles and blogs published which cites multiple references in those books about rashi zodiac sign based astrology

most of the how to books teach the elementary things this astrology book is thinking from top but this is most practical professional worked out analysis of about 65 charts and wrote 10 articles if you want to read theory then this not the book you perhaps need to spend 5 to 10 years to study the basics instead by reading the question

answers you will have knowledge that the most professional astrologers will envy it is not your sun or moon sign book most of the sun sign and moon sign books are general in nature at the end of reading 500 page book you will be exhausted still nothing learnt for sure to apply in your real life then where is the time to read moon sign sunsign books of other signs to capitalise on your elementary knowledge gained this book is not related your moon or sun sign but you can understand how astrologers analyse charts and that interest will make you start on analysing others charts that is why the author calls it applied call it applied astrology and practice paperback add to cart ebook add to cart for immediate download it is useful reference guide for astrologers as well as people who want to understand vedic astrology from practical aspect it is a defence book what about some self proclaimed vedic astrologer bluffing you towards his personal agenda read this book and grasp the words used and you are a martial law expert in defending the astrological assault because you know more words and meanings than him this is a friendship book how many people in their daily usage talk about moon signs sun signs and relate their luck with that what if you can relate their problems now from vedic angle and point them to proper people will they be thankful to you for you are caring about them and guiding them properly this is an interesting book from stupid individual life questions to most intelligent general questions are answered 2010 book isbn 9780958286350 books google com au books id 70lvagaaqbaj

vedic astrology is a complex subject and one needs to consider various aspects to conclude on a native s horoscope this book is an attempt to offer the basic steps in a simplified manner to analyze the horoscope at an elementary level it is important to understand the mythological stories for each planet to understand the effects it has on a chart therefore you will find that this book is a mix of mythology and process towards analyzing a chart the key takeaway of vedic astrology is to understand oneself and one s life path one s strengths and weaknesses opportunities and pitfalls and the reasons why one s life path unfolds in a certain manner

in hindu astrology rahu and ketu signify the two mathematical points on each side of the moon that have a significant impact on self experience the significance of rahu and ketu in vedic astrology is realized positively and negatively in a person s life as a rising node of the moon rahu is known to cause spiritual growth and whenever it exists in a chart the result is luxury and obsession it s a powerful node favorable to politicians as it presents opportunities and immense power to ascend in political affairs both justly and unjustly rahu also influences criminals snakes as well as magicians just to mention a few rahu has the power to give wealth and make a person popular at the same time this shadow planet is likely to cause confusion despair and emotional inequity it s very powerful in the 3rd 6th and 11th houses of a horoscope ketu is a shadowy descending and malefic planet but not as malefic as rahu ketu offers liberation and nonattachment to material desires and worldly ambitions it provides spiritual knowledge power to differentiate self knowledge as well as wisdom whenever present in a chart it gives a person psychic abilities a person can perform natural healing deal with ghosts evil

spirits and astral forces as well as make them wizards of foods herbs and spices ketu enables a person to blend in naturally among people

through astrologers are well aware that it is the aspects between planets which has been planets which add detail and definition to a birth chart there has been no single work which deals comprehensively with the theory and delineation of aspects in vedic astrology this book fills a void by providing a clear and concise treatment of the subject the authors have drawn their material from the ancient and medieval classics of vedic astrology preserving the wisdom of the sages as well as granting their readers a wealth of insight into how the ancient dictums may be applied to contemporary life

vedic astrology has a wealth of myths and symbols some in common with western astrology many of the secrets of life and consciousness can be discovered through them students of mythology will also find it helpful in unlocking the astrological keys to the great archetypes of the psyche this book also explores the nakshatras the 27 lunar mansions a unique aspect of the vedic system of astrology
