dorothy buxton led an unusual and intense life after an upbringing untypical for a girl in rural victorian england she found her voice and her vocation during the first world war insisting people should be able to read a variety of voices on the conflict engulfing europe after the war ended when hunger and deprivation were widespread in many countries she blazed a trail as a campaigner for the underprivileged she was the instigator of the save the children fund

in 1919 and became a tireless campaigner for refugees and the oppressed wherever she saw them during the next decades her life was led during times of social and political upheaval after the relative calm of the late victorian and edwardian period she lived through two world wars and the economic depression between them the rise of communism fascism and nazism the attack on the class divisions in british society and the change in the status and rights of women in these momentous times dorothy was a radical voice refusing to be silenced when she saw injustice hers is an exciting story the archive of her life is rich and varied although not complete as at various times material has been destroyed both by her own decision towards the end of her life and that of family members after her death yet sufficient letters and papers have survived so that her story can be told partly using her own words this biography is both the story of one woman s journey and a paradigm of the journey taken by many of her contemporaries

this volume which opens after the great schism in the zionist movement and closes with brandeis s death depicts him trying in a variety of ways to make the world a better place once again the scope of his interests and the intensity of his involvement is astounding he writes on zionism palestine the liberal press economics the university of louisville family affairs savings bank life insurance the harvard law school unemployment compensation prohibition enforcement civil liberties and much more the book also includes a cumulative index to all five volumes that will make it easier for students and scholars to trace the various threads that were woven together in the quite remarkable life of this one man

eglantyne jebb was a teacher social investigator and founder of the save the children fund her declaration of the rights of the child adopted by league of nations shows evolution from charity organization society model to philosophy of international mutual responsibility children s rights and humanitarianism

saving the children analyzes the intersection of liberal internationalism and imperialism through the history of the humanitarian organization save the children from its formation during the first world war through the era of decolonization whereas save the children claimed that it was saving children to save the world the vision of the world it sought to save was strictly delimited characterized by international capitalism and colonial rule emily baughan s groundbreaking analysis across fifty years and eighteen countries shows that britain s desire to create an international order favorable to its imperial rule shaped international humanitarianism in revealing that modern humanitarianism and its conception of childhood are products of the early twentieth century imperial economy saving the children argues that the contemporary aid sector must reckon with its past if it is to forge a new future
