fifty years after the korean conflict what is a forgotten war for some americans is an aching memory for china with over a million casualties out of the three million soldiers sent into battle that war looms as large for the people s republic of china prc barely a year old when north korea invaded the south as world war ii does for most other countries it was the first international war fought by the chinese communist regime to halt counterrevolution it was also a war that the chinese fully expected to win by virtue of not only superiority of numbers but also their soldiers superior political quality this book presents a mosaic of memoirs by key chinese military

commanders from that war drawing not only on their personal papers but also on still classified archives and on chinese language sources unavailable in english it offers an uncensored behind the scenes story of the communist campaign from the decision to intervene through the truce negotiations that discloses new information on such facets of the war as strategy and tactics use of propaganda and mobilization of the chinese population it also reveals the generals concerns about the possible use of nuclear force and the alleged use of biological and chemical weapons by the united states the book contains a wealth of new materials on the chinese intervention including combat operations logistics political control field command and communications among those whose recollections are recorded then acting chief of staff nie rongzhen reveals how party leadership decided on intervention commander in chief peng dehuai provides personal accounts of major battles and communications with mao and general yang dezhi shares secrets of chinese military strategy and tactics discussing how the army orchestrated each battle to contend with the better equipped un forces the volume also features an updated short history of the prc s conduct of the war based on chinese sources plus rare photos from chinese archives that put readers behind the lines from the chinese side mao s generals remember korea demonstrates that the prc continues to draw military diplomatic and strategic lessons from the war it fought fifty years ago with the world s most powerful military force it offers valuable insight into the chinese way of war and the military mind of mao that will be a rich resource for asian and military scholars

as a foreigner working living and traveling throughout this country it is impossible to step outside of your home without realizing how thick the culture runs whether you like it or not it intoxicates you fills your lungs when you breathe rings in your ears when you walk past smothers you like a wave and encases you like a warm blanket from the preface by craig white
