a fortnightly bulletin on financial and political trends

relations between the united states and south africa or the parts of the world these nations now occupy go nearly as far back as the very beginning of their inception as permanent european colonial intrusions this book is a critical overview of these relations from the late seventeenth

century to the present unprecedented in its scope and supported by substantive and detailed notes together with an extensive bibliography chronology glossary and appendices the book distinguishes itself from extant works in a number of other ways set against the backdrop of a wider interdisciplinary exploration of both ideational and structural issues of historical context it not only gives attention to the importance of contributions from nonofficial actors in shaping official relations but also considers the impact of the geo political location of south africa within southern africa where the presence of other nations particularly angola mozambique namibia and zimbabwe looms large methodologically written from the perspectives of both traditional narrative history and khaldunian interpretive historical analysis the book consequently sits at the interdisciplinary interstice of political economy and sociology where the aim is to advance our understanding of the braudelian interconnectedness of world history as an important diachronic determinant of the diplomacy of foreign relations written for both scholars and policy analysts this book s examination of the agency of the marginalized should also be of interest to activists and the reading public

a riveting psychological drama that challenges the way we understand others and our own sense of self mia is a schoolteacher in denmark her husband frederik is the charismatic headmaster of a local private school during a vacation on majorca they discover that a brain tumor has started to change frederik s personality as it becomes harder and harder for mia to recognize him she must protect herself and their teenage son from the strange blunted being who now inhabits her husband s body and with whom she must share her home her son and her bed when millions of crowns go missing at the private school frederik is the obvious culprit and mia s private crisis quickly draws in the entire community frederick s new indifference and lack of inhibition rupture long standing friendships isolating mia and making her question who frederik really is was the tumor already affecting him during the years they had been so happy together and does it excuse frederik from fraud mia enlists the help of a lawyer named bernhard whom she meets in a support group for spouses of people with brain injuries as they prepare frederik s defense the two of them wrestle with the latest brain research the age old question of free will and their growing attraction to each other jungersen s lithe prose and unexpected plot twists will keep readers hooked until the very last page
