this is the first novel for jacquelyn vania richardson a 34 year old who has engaged in writing volumes of personal poetry has turned to writing novels that engage the reader in moral thought and magic within the world as a believer jacquelyn is the mother to a 6 year old child maxine jannae and spends her time tending to her home selling life insurance and creating new ideas for future volumes of works jacquelyn is an avid thespian and enjoys the arts in which she can glorify god by painting and other forms of artistic expression

in this study of representations of children and childhood a global team of authors explores the theme of undeadness as it applies to cultural constructions of the child moving beyond conventional depictions of the undead in popular culture as living dead monsters of horror and mad science that transgress the borders between life and death rejuvenation and decay the authors present undeadness as a broader concept that explores how people objects customs and ideas deemed lost or consigned to the past might endure in the present the chapters examine nostalgic texts that explore past incarnations of childhood mementos of childhood zombie children spectral children images and artefacts of deceased children as well as states of arrested development and the inability or refusal to embrace adulthood expanding undeadness beyond the realm of horror and extending its meaning conceptually while acknowledging its roots in the genre the book explores attempts at countering the transitory nature of childhoods this unique and insightful volume will interest scholars and students working on popular culture and cultural studies media studies film and television studies childhood studies gender studies and philosophy
