a helpful tips from an expert proven steps in choosing your dream careers a chance for you to become successful once and for all choosing a career path is also making a good decision every one of us dreamed to become successful in our career but as the process goes on a lot of question ponder on your mind how to choose the right career and how to become successful in the chosen career you had these are the things that somehow build anxiety and confusion in choosing a career perhaps one thing you have to establish behind is to first consider your personality your interests your skills values and passion reaching your dream is somewhat like walking all alone in a elongated stairs every step you step is a stage in where you will establish self worth and self determination in achieving your goal s it might not that easy for you to move forward to take another step it is because sometimes you encountered a lot of problem s and failures but it doesn t mean you have to give up you might fall down along the way but you should have the courage to stand up it is part of becoming who we really are in the future to overcome your failure the first thing you should do is to create a vision then visualize your dreams find out your weaknesses and strengths invent lots of formulas in your mind and ask yourself what i want to become someday what career path i am taking to what are my skills what are my interests what are my goals what are the things i need to improve for me to become successful how can i utilize my skills to empower my strength the important thing you should realize in choosing a career is it isn t just about picking a flower in a garden and thrown it out when you found out that it is not useful after all if you think you are feeling lost in your career then it is the time to respond to your call and ask yourself what i really want to be if you end up feeling so drastic about the things you have to decide for yourself now is the time to withstand all those arguments in your head and fasten yourself to a more meaningful career that you really love to do don t be too hard with yourself possess positive outlook in life and remain optimistic at all time don t let your fears and insecurities draws you back if you feel you are fascinated to become a doctor someday then why not the road ahead might be difficult but why not consider it in fact it is part

of your challenge an adage once said quitter never wins so don't stuck at one place move forward and reach out your dream but also pay attention specifically to the things that matters you the most what about the medicine does it make you excited is it you wanted to save life help those in need of your care there are plenty of professions that could help you assess what interests and passion you really have inside this things open up for world of possibilities and even you can utilize your skills and expertise in another way around you can be successful with your pace here is a preview of what you'll learn chapter 1 finding your career chapter 2 careers by field chapter 3 start your career much much more purchase your copy now life comes so easy in choosing the right career by reading this book the ultimate guide to choose your dream careers how to select the best career path for becoming extraordinarily successful live and achieve your dreams today tags career career path how to choose correct career what is purpose of my life what works for me right job job for me how to be successful live your dream live your dream career dream career best job for me

ask yourself are you doing the work that you love warning may cause happiness side effects include optimism passion results may vary read this book and find the work you love in 31 days or less find your path today choosing a life path isn't easy and like most things in life you may be off course but if you go into your job thinking this is it is this what i'm going to be doing for the rest of my life you may feel trapped some might even feel a little depressed i know how you feel i felt the same way until i stumbled on the three components in this book it's not you people have been distracting you all along from your true abilities talents finding work you love has three exact ingredients which you will find in this book along with precise questions that will make your path clear and simple talents personality and purpose ask too many questions yes that's a talent not a fault when you find the work you love things in your life change your life improves and becomes dare i say it exciting i won't say the path is easy it's simple and it is infinitely more exciting you can look forward to each day instead of dreading it life becomes much simpler you will have your eye on the mountain you will have a positive mindset more optimism wake up looking forward to work instead of losing your soul day by day benefit 1 discover your talents abilities do you feel like you don't have any talents and abilities find the hidden talents and abilities you have always had overcome the feeling that you aren't good enough overcome the feeling that you can't make money benefit 2 discover your true personality interests passion do you feel unsure uncertain lack happiness or confidence do you have so many diverse interests and passions not sure which to focus on do you

feel that you lack self respect or pride in your work benefit 3 create your personal statement of purpose mission statement do you lack motivation and do not feel inspired and fulfilled why am i here what s my life s work or true calling unsure uncertain of your career purpose how can i realize my dreams and have a meaningful and rewarding career how do i know if my mission statement is correct benefit 4 decide on your right career path here s what you will overcome how can i be sure it is the right decision what do i need to do to get started in the right direction what if i change my mind or feel i made a mistake unsure how to make a living doing what you love our purpose to help you go confidently in the direction of your dreams and live the life you imagine to help you determine your right career and or education path who is this book for not just you if you or your young adult or child are having difficulty with education perhaps they haven t found the passion that lies hidden behind the words on the page this isn t just another good book club book read this is a great book club book a great book to read for anyone who wants to find their true calling anyone uncertain about the rut they are in great book for young adults good book on leadership anyone tired of working government jobs good book on human nature good book to read for teens good book to read for women and men alike good book on kindle good book ideas for business good book for a young lady or young man in junior high or college you deserve to do the work you love you shouldn t have to wait any longer to finally find the work freedom you ve been looking for or the work and life balance you ve been waiting to achieve once you make the leap to do the work you love you may thank me just like thousands of students have from all over the world

in four steps to your authentic career how to discover your true career path kareem kamal el gazzar makes a few interesting career related observations that might be helpful to people entering the work force he writes about converting passions into dreams and matching dreams to priorities he talks about the need to become an authentic leader who defines career success as a life and work that brings personal fulfillment and lasting relationships while also making a difference perhaps the most interesting portion of the book is the author's discussion of the three different attitudes people have toward their careers he calls them the road the horse and the cart the road writes el gazzar represents individuals who love a career filled with the exhilaration and excitement of action the horse who races just for the pleasure of running typifies someone who is happy

simply doing their work individuals represented by the cart are interested in what is being carried by one's work such as values or character. el gazzar makes the point that the cart is likely to be the most useful attitude great careers have a point of view and are not just a job he writes you need to believe in something
