this book will help you to look after your brain and body and develop good mental health how are you today your brain and body work as a team what you do with your body what you eat how you exercise and how much sleep you get affects your mood while your thoughts and feelings affect how you feel physically this book will help you to understand how your physical and mental health are closely linked there are hints and tips on quick ways to improve your health that you can try every day or whenever you need to the text has been approved by a consultant working in the field of young people's mental health and includes information on further sources of help and advice

knowledge is indispensable to christian life and service writes john stott if we

do not use the mind which god has given us we condemn ourselves to spiritual superficiality while christians have had a long heritage of rigorous scholarship and careful thinking some circles still view the intellect with suspicion or even as contradictory to christian faith and many non christians are quick to label christians as anti intellectual and obscurantist but this need not be so in this classic introduction to christian thinking john stott makes a forceful appeal for christian discipleship that engages the mind as well as the heart

this book will help you to understand your feelings and develop good mental health how are you feeling today positive emotions can make us feel that the world is a wonderful place but feeling sad angry and hopeless can make us think the opposite is true as we get older we learn how different experiences affect us and become more skilled in managing negative emotions and expressing our feelings this book will help you to understand your emotions so that you can make good decisions that will shape your behaviour and allow you to build strong relationships with the people around you there are hints and tips on quick ways to improve your emotional health that you can try every day or whenever you need to
