monografija obravnava problematiko v sodobnem slovenskem zgodovinopisju deficitarno zastopanih raziskav gospodarske in družbene zgodovine posveča se tudi retrospektivi sistematičnih raziskav z ekonomsko socialno problematiko te so sledile smernicam ki jih je sredi prejšnjega stoletja načrtala sazuj v sklopu programa naravna in kulturna dediščina leta 1970 in 1980 sta kot plod prizadevanj številnih avtorjev izšla obsežna zvezka o agrarni zgodovini slovencev nato pa je delo na programu zaradi različnih razlogov zastalo po več kot treh desetletjih zastojev in razpršenega raziskovanja gospodarske in družbene zgodovine ki v slovenskem zgodovinopisju predstavlja nesporni desiderat celostne obravnave v katero bi morali vpeti širšo institucionalno in ljubiteljsko zgodovinarsko javnost skuša monografija prebroditi ta manjko in nakazati možnosti nadaljnega dela med avtorji monografije skupaj jih je 21 so ob slovenskih tudi izvedenci iz drugih okolij avstrije hrvaške italije in Švice kjer imajo raziskave gospodarske in družbene zgodovine elitno mesto v zgodovinopisju the monograph focuses on the problem concerning research on economic and social history which is regarded a deficit research area in contemporary slovenian historiography it also deals with retrospective analysis of systematic research on socio economic problems the latter has followed the guidelines that were set by the slovenian academy of sciences and arts in the mid 20th century as part of the programme natural and cultural heritage in 1970 and 1980 two extensive volumes were published on

agrarian history of the slovenes as a result of efforts made by a large number of authors after that the programme work came to a halt and research on economic and social history which sets before slovenian historiography an undisputed desideratum of an integral research that necessitates the involvement of a broader institutional and amateur historical public became fragmented for a variety of reasons more than three decades later the monograph aims to fill this gap and point to the possibilities of further research the altogether nineteen authors of the monograph include not only slovenian ones but also experts from other countries austria italy switzerland where research on economic and social history has a prominent place in historiography

describes surveys and discusses the major historical aspects of the habsburg empire diplomatic political institutional socioeconomic and cultural

the book deals with the slovene historiography and history of the slovene and neighbouring territories in the middle ages it is the first work of its kind published in english it thus makes the medieval history of this part of europe and some of its fundamental problems accessible to the widest range of researchers it contains 18 papers which comply with modern methodological approaches and current trends in historiography and it puts the validity and usefulness of these methods to the test in the case of slovene material and examples the first part of the book critically examines slovene historiography which largely viewed the middle ages from a national angle the second part is dedicated to early medieval history focussing on issues of slavic ethnogeneses society and political structures the third part addresses chapters from the history of the church the nobility and the formation of länder and also discusses the famous enthronement of the carinthian dukes

this is a history of a space a space between the panonian plain in the east and the most northernmost bay in the adriatic in the west from the eastern alps in the north and the dinaridic mountain area in the south it is also a history of all the different people who lived in this area the authors show that the slavs did not settle an empty space and simply

replace the celto roman inhabitants of earlier times they are on the contrary presented as the result of reciprocal acculturation the authors show that the slovenes made more than two important appearances throughout the entire feudal era the same holds for later periods especially for the twentieth century this book offers a concise and complete history of an area that finally became an integral part of central europe and the balkans
