in essays on film literature capitalism and the university this book illuminates and deepens the understanding of the parasite as a concept metaphor for cultural and social critique

fight for a better world with inspiration from the past and present written with a mix of reverence and passion warrior magic is the first multicultural journey into understanding the role of magic in resistance and warfare around the world tom[ls prower invites you to journey throughout history and see how people have allied with spirits and the divine to defy their oppressors this book also features empowering anecdotes and hands on activities shared by contributors from spiritual traditions and cultures across the globe warrior magic is designed to help you apply lessons from the past to modern problems use spells meditations and prayers to overcome your personal struggles learn self defense magic and how to fight societal issues and injustices this book arms you with the knowledge and courage needed to build a better world and future

this first book length analysis of amazon s kindle explores the platform s technological bibliographical and social impact on publishing four shades of gray offers the first book length analysis of amazon s kindle and its impact on publishing simon peter rowberry recounts how amazon built the infrastructure for a new generation of digital publications then considers

the consequences of having a single company control the direction of the publishing industry exploring the platform from the perspectives of technology texts and uses he shows how the kindle challenges traditional notions of platforms as discrete entities he argues that amazon's influence extends beyond disruptive technology to embed itself in all aspects of the publishing trade yet despite industry pushback he says the kindle has had a positive influence on publishing rowberry documents the first decade of the kindle with case studies of kindle popular highlights an account of the digitization of books published after 1922 and a discussion of how amazon's patent filings reflect a shift in priorities rowberry argues that while it was initially convenient for the book trade to outsource ebook development to amazon doing so has had adverse consequences for publishers in the mid and long term limiting opportunities for developing an inclusive and forward thinking digital platform while it has forced publishers to embrace digital forms the kindle has also empowered some previously marginalized readerships although it is still too early to judge the long term impact of ebooks compared with that of the older technologies of clay tablets the printing press and offset printing the shockwaves of the kindle continue to shape publishing

winner of the 2024 tapra david bradby monograph prize how is decadence being staged today as a practice issue pejorative and as a site of pleasure where might we find it why might we look for it and who is decadence for this book is the first monographic study of decadence in theatre and performance adam alston makes a passionate case for the contemporary relevance of decadence in the thick of a resurgent culture war by focusing on its antithetical relationship to capitalist led growth progress and intensified productivity he argues that the qualities used to disparage the study and practice of theatre and performance are the very things we should embrace in celebrating their value namely their spectacular uselessness wastefulness outmodedness and abundant potential for producing forms of creativity that flow away from the ends and excesses of capitalism alston covers an eclectic range of examples by julia bardsley uk hasard le sin finland jaamil olawale kosoko usa toco nikaido japan martin o brien uk toshiki okada japan marcel l'antonez roca spain normandy sherwood usa the uhuruverse usa nia o witherspoon usa and wunderbaum netherlands expect ruminations on monstrous scenographies catatonic choreographies turbo charged freneticism visions of the apocalypse and what might lie in its wake

the zombie reader explores the figure of the zombie from its origin in the caribbean to its explosion in popular culture using a transdisciplinary approach this anthology of classic and new texts on the zombie provides students with a fascinating case study to understand the interaction of culture history and ideology through four thematic parts the zombie reader

focuses on important concepts and historical events responsible for the rise of this iconic monster it resituates the zombie within its african diaspora context and offers vetted material to study how the modern zombie emerged in haiti as a reflection of the deadening effects of colonialism and slavery it then traces how the zombie came to embody themes of exploitation and dehumanization in the age of industrialization and globalization the anthology examines the zombie as a projection of dispossession and inner grief in the films of george a romero the tv series the walking dead and contemporary haitian literature it also addresses recent reinterpretations of the zombie as social allegory and a conscious undead the revised first edition features reorganized and updated material the zombie reader is well suited for courses in cultural literary and visual studies especially those with interest in the legacies of colonialism and slavery

not so long ago zombies rarely shuffled out of b grade horror movies and cult comic books but today they are everywhere zombies are proliferating demonstrating an extraordinary capacity to transport fluidly from genre to genre from the apocalyptic future to the already survived past and in and out of fictional form today they can be found in just about any genre or discourse and as they move sinuously across the cultural landscape they keep morphing taking on ever new and ever more bizarre associations zombies would appear to be unthinkable the ultimate nightmare of a world devoured by the dead and yet more and more often this horror scape provides a form of figurative capture for the way things are this book explores why zombies explores the recent transformation of zombie from cult genre to a figure that pervades western culture rutherford examines the zombie as a powerful metaphor for a constellation of social forces that define contemporary reality this is an ideal introduction to all that is social about zombies for students and general readers alike extracts from zombies were recently published in australian newspapers the age the canberra times and the sydney morning herald available now to read online theage.com.au/entertainment/books/dead-right-20130620/2olqr.html

zombies are everywhere these days we are consuming zombies as much as they are said to be consuming us in mediated apocalyptic scenarios on popular television shows video game franchises and movies the zombie industry generates billions a year through media texts and other cultural manifestations zombie races and zombie themed parks to name a few zombies like vampires werewolves witches and wizards have become both big dollars for cultural producers and the subject of audience fascination and fetishization with popular television shows such as amc's the walking dead based on the popular graphic novel and movie franchises such as the ones pioneered by george romero global fascination with zombies does not show signs of diminishing in the thinking dead what the zombie apocalypse means edited by murali balaji scholars ask why our culture has become so fascinated by the zombie apocalypse essays address this question from a range of theoretical perspectives that tie our consumption of zombies to larger narratives of race gender sexuality politics economics and the end of the world thinking dead brings together an array of media and cultural studies scholars whose contributions to understanding our obsession with zombies will far outlast the current trends of zombie popularity

an illustrated guide to the best ways to rid society of the undead this book takes a pop culture bite out of the trend that just won't die it doesn't take a lot of braaaaaaaiiiiiinnns to recognize that society is feasting on zombie culture this accessible affordable and gorey like and gory book showcases inventive methods to off everyone's favorite lovable decaying undead more sidesplitting than an evisceration 101 ways to kill a zombie will keep readers laughing throughout the upcoming apocalypse

a fascinating read for anyone from general readers to hardcore fans and scholars this encyclopedia covers virtually every aspect of the zombie as cultural phenomenon including film literature folklore music video games and events the proliferation of zombie related fiction film games events and other media in the last decade would seem to indicate that zombies are the new vampires in popular culture the editors and contributors of encyclopedia of the zombie the walking dead in popular culture and myth took on the prodigious task of covering all aspects of the phenomenon from the less known historical and cultural origins of the zombie myth to the significant works of film and literature as well as video games in the modern day that feature the insatiable relentless zombie character the encyclopedia examines a wide range of significant topics pertaining to zombies such as zombies in the pulp magazines the creation of the figure of the zuevbie to subvert decades of censorship by the comics code of authority humans vs zombies a popular zombie themed game played on college campuses across the country and annual halloween zombie walks organized alphabetically to facilitate use of the encyclopedia as a research tool it also includes entries on important scholarly works in the expanding field of zombie studies

the zombie popular culture s undead darling shows no signs of stopping but as it develops to suit changing audience tastes its characteristics transform this collection of new essays examines the latest incarnation the romantic zombie a re humanized monster we want to help heal and connect with rather than destroy the authors discuss our increasingly sympathetic view of the reanimated dead as more than physical bodies devoid of life and personality their essays cover a range of topics including audience obsession with apocalyptic love the problem of a kinder gentler undead the millennial reinvention of the sexy zombie and uncanny valley romance

when humankind faces what it perceives as a threat to its very existence a macabre thing happens in art literature and culture corpses begin to stand up and walk around the dead walked in the fourteenth century when the black death and other catastrophes roiled europe they walked in images from world war i when a generation died horribly in the trenches they walked in art inspired by the holocaust and by the atomic attacks on japan now in the early twenty first century the dead walk in stories of the zombie apocalypse some of the most ubiquitous narratives of post 9 11 western culture zombies appear in popular movies and television shows comics and graphic novels fiction games art and in material culture including pinball machines zombie runs and lottery tickets the zombie apocalypse greg garrett shows us has become an archetypal narrative for the contemporary world in part because zombies can stand in for any of a variety of global threats from terrorism to ebola from economic uncertainty to ecological destruction but this zombie narrative also brings us emotional and spiritual comfort these apocalyptic stories in which the world has been turned upside down and protagonists face the prospect of an imminent and grisly death can also offer us wisdom about living in a community present us with real world ethical solutions and invite us into conversation about the value and costs of survival we may indeed be living with the living dead these days but through the stories we consume and the games we play we are paradoxically learning what it means to be fully alive

the war on terror and american popular culture is a collection of original essays by academics and researchers from around the world that examines the complex interrelation between the bush administration s war on terror and american popular culture written by experts in the fields of literature film and cultural studies this book examines in detail how popular culture reflects concerns and anxieties about the september 11 attacks and the war those attacks generated how it interrogates the individual and collective impacts that war has wrought how it might challenge or critique current policy and how it might reinforce or endorse the war and its sociopolitical paradigms

on the surface the zombie seems the polar opposite of the human they are the living dead we in essence are the dying alive but the zombie is also us although decaying it looks like us dresses like us and sometimes if rarely acts like us in this volume essays by scholars from a range of disciplines examine the zombie as a thematic presence in literature film video games legal language and philosophy exploring topics including zombies and the environment litigation the afterlife capitalism and the erotic through this wide ranging examination of the zombie phenomenon the authors seek to discover what the zombie can teach us about being human instructors considering this book for use in a course may request an examination copy here

in the fight against zombies our most important weapons are our brains it s time to unleash them think you know a thing or two about zombies think again if you re going to keep your wits and your brains about you during a zombie attack you need expert advice braaaiinnnss from academics to zombies gathers together an irreverent group of scholars and writers to take a serious look at how zombies threaten almost every aspect of our lives spawned from the viral publication when zombies attack mathematical modelling of an outbreak of zombie infection this multidisciplinary book draws on a variety of fields including biology history law gender studies archaeology library science and landscape architecture part homage to zombie films and fiction part cultural study this collection humorously explores our deep seated fear of the undead engaging and accessible braaaiinnnnssss will amuse academics and zombie fans alike published in english

seminar paper from the year 2017 in the subject english language and literature studies literature grade 1 3 bielefeld university fakult t f r linguistik und literaturwissenschaft anglistik course modulpr fung profilmodul 2 british studies language english abstract zombies are considering the significant amount of media input nearly all around us what was once a niche genre has long spread and entered the public consciousness and pop culture through a variety of movies and more recently through one very successful tv series adaption of a comic series the walking dead 2010 and its recent spinoff fear the walking dead 2015 video game series like left 4 dead or dead island likewise increased the ever growing stack of zombie productions and whereas there were few or no academic works specifically about zombies in the past there is now a considerable part of academia that explores and observes the zombie from many different angles there are works which examine the zombie culture according to philosophical religious historical political or even environmental points of view one issue that is being explored in these works is the question of humanity and how much of it is still contained in a zombie as zombies are still able to fulfill basic human functions such as eating or walking this inevitably leads to questions of human and zombie consciousness if a person is zombified does he or she still have access to the feelings of the person that was bitten can these feelings be accessed and influence the zombie s behavior or will a zombie always act like a mindless machine never stopping and never settling for any less than human flesh this paper seeks to explore the questions mentioned above by analyzing scenes from the first second and third season of amc s twd i will first chapter 2 seek to explore how alive and conscious the living dead actually are essentially ask how much of a human there is still in them i wi
